- Boys 1 box of gallon sized storage bags (preferably the zipper kind)
- 1 bottle of juice or juice mix (sugar free lemonade is great, no red coloring!)
- 1 pack of napkins
- 1 box of tissues
- 1 bottle of hand sanitizer
- 4 boxes of crackers - (see below)

\*Please be sure there are no peanut products in the snack crackers, check the labels! Any snack with peanut products or made in a place where peanut products are made/used cannot be used at school due to peanut allergies.

\*\*\*\*Graham crackers, saltines, Ritz, Cheese Nips, Animal crackers, pretzels, fish crackers, etc. No chips or cookies please; except for special occasions.

\*\*\*This year each child will need a pencil box. This will contain their own pencils, crayons, and scissors. I feel this significantly decreases the amount of germs we share in kindergarten. Please put their name on it. I will distribute the materials they need for their box once I have received their supplies.

There is no need to put names on supplies, they go into a general pool of supplies to be used throughout the year.

**Students will need a standard sized backpack.**

Please put names on any coats and backpacks your child will be using, this is the only way to ensure they get it back if it gets lost!
