Dear Woodland PTSA:

On behalf of Woodland Intermediate School students and staff I would like to extend my appreciation and gratitude for the purchase of our climbing wall.

The climbing wall has generated tremendous excitement throughout our entire learning community. Not only does it provide a great workout and help to improve our physical fitness levels, but it also affords a unique activity that never before existed.

It has been a pleasure to partner with you throughout the last several years. We sincerely appreciate all you do to support teaching and learning at Woodland Intermediate School.

Sincerely,

Chris Wiseman
