

CREDIT CARDS PURCHASE CARDS

The board authorizes the issuance of purchase cards to officers and staff for district purchases, acquisitions and authorized travel. This includes both credit cards and procurement cards.

~~For official district purchases and acquisitions the board authorizes the use of credit cards.~~ The board shall approve any contract for the issuance of credit purchase cards, including the credit limit. ~~Credit cards may be issued to staff in the following positions: Superintendent and Assistant Superintendent.~~ The superintendent or his/her designee is responsible for the authorization and control of the use of credit charge card funds, subject to final board approval of payments.

The purpose of purchase card programs is to improve the efficiency, flexibility and convenience related to purchasing goods and services. Purchase cards provide an alternative procurement method for purchases. They are not intended to be considered a procurement approach, or to be used to avoid or bypass purchasing policies. Rather, purchase cards are to be used within the same statutes, rules, policies, and procedures as purchases by any other means of payment.

Upon billing or no later than thirty (30) days of the billing date, the officer or staff member using a charge card shall submit a fully itemized expense voucher including receipts or invoices supporting purchases. Any charges not properly identified on the expense voucher or not allowed following review by the auditing officer shall be paid by the official or staff member. Any official or staff member who has been issued a charge card shall not use the card if any disallowed charges are outstanding.

Acceptable uses of purchase cards include:

1. Goods and services for official district purposes purchased in person, by mail, by phone, or over the internet.
2. Purchases complying with all applicable district and state statutes, rules, policies, and procedures.
3. Purchases within spending and other limits established on the card.

Unacceptable uses include, but are not limited to:

1. Cash advances.
2. Purchases in excess of the limits authorized for the card.
3. Gifts/donations.
4. Splitting purchases to circumvent the daily or monthly purchase limits on a card, or to avoid competitive bidding limits or purchasing authority limits.

5. Purchases from any merchant, product, or service normally considered to be inappropriate use of district funds, including, but not limited to:

- Items for personal use.
- Materials or services from any member of the card user's immediate family.
- Equipment, materials, services, or supplies restricted by district or state statutes, rules, policies, procedures, guidelines or contractual agreements.
- Alcoholic beverages

The superintendent shall establish procedures for the issuance and use of charge cards.

~~The board authorizes the issuance and use of credit cards for the purpose of covering reasonable district expenses. Upon billing or no later than thirty (30) days of the billing date a fully itemized travel expense voucher or proper supporting documentation shall be submitted. Any charges not properly identified on the travel expense voucher or not allowed following review by the auditing officer shall be paid by the user.~~
