Dear Craig & Woodland H.S. Athletics,

T.O.D.A.Y. Foundation has received a grant request from you to help with the costs of participation fees for athletes that are unable to afford them. We have approved an amount of \$500 to go toward assisting these in-need student athletes. We will be contacting you by phone in the next several days to set up a presentation with other grant winners for the Reflector.

Thank you for your continued efforts supporting youth activities.

Sincerely,

Russ Myers
