

Picture Day - information for seniors only

WHS picture day is Thursday, 9/10. All seniors should have their picture taken for Skyward identification and ID/ASB purposes. These photos cannot be "silly."

Senior silly pictures will happen on the same day as senior portrait photos. These will both be optional and will occur in November (date will be announced shortly).

The cost for the portrait (includes retouching) will be \$15. This will be the default photo for the yearbook in the event that you do not provide your own professional photo. These can also be ordered through Bell Studios for your own use.

The silly photo will be \$10 (does not include retouching). These photos will be added to the Yearbook. You can also order these through Bell Studios, if you choose to do so.
