## Robotics at WHS

Robotics completed the 2024 2025 Season in January of this year. The BeaverBots finished with multiple awards (1st place THINK award: for thoughtful design and meticulous record keeping. They developed an engineering design portfolio that captured every aspect of the team. 2nd place MOTIVATE award: for showing teamwork at its finest. They embody the FIRST Inspires mission statement of gracious professionalism by cooperating with teams around them while still being competitive. Our team encouraged other teams as they competed and made sure everyone felt welcome).

## UNIFIED PROM

Saturday evening, March 15th, our special education students attended Unified Prom. We have been wanting to set this up for the past couple of years, and finally made it happen.

We combined with Ridgefield High School and La Center High School. Ridgefield was gracious enough to host and their NHS students worked hard setting everything up for an amazing night! All of our students had a great time dancing and making new friends.

We are hoping to host next year!
