Dear Superintendent and Members of the Board of Directors:

Every student who regularly attends school is a victory for all of us. Even if a student gets to the point of becoming classified as “truant” and a court petition is filed, there are a group of community members who provide one last safety net as they serve on your district’s Community Truancy Board.

The Cowlitz County Truancy Project, with support from your district staff, convenes the Community Truancy Board to provide students one more level of problem-solving to help resolve chronic truancy issues. These community members meet as frequently as once a month with students and their families – hoping to prevent further court action and a positive return to education.

We want to recognize the following volunteers for the service they provide to your district:

- Melanie Randolph
- MaryEllen Kiffe
- Patrick Kelly
- Mary-Helen Miller
- Dash Mentic

Thank you for your support of the Cowlitz County Truancy Project and the Community Truancy Board.

Sincerely,

Gail Spolar
