Online Scholastic Book Fair

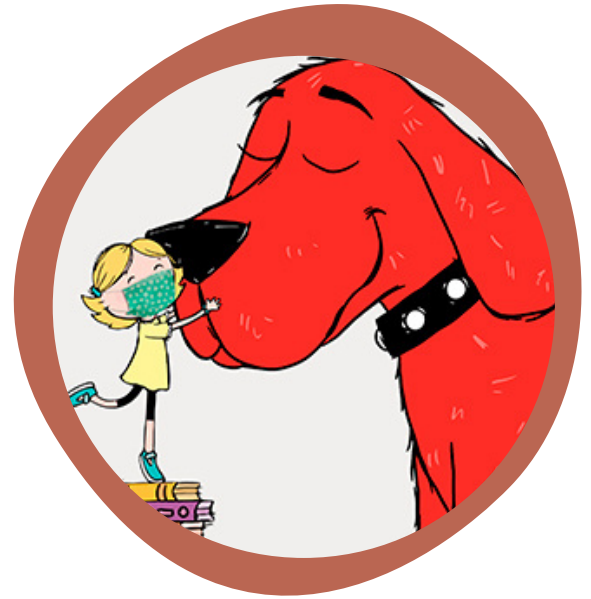

Dear Parents and Families, The Scholastic Book Fair is still happening! While the Fair will be exclusively held online this year, we still plan on making it a fun and joyous experience for our kids. The Online Fair will include features like: Columbia's own online store, games for kids, virtual store walk-through's and more. Remember, every dollar you spend will benefit our school directly (25% back in rewards!).

Save these dates and view our school's fair site:

Fair Dates: Nov 1st – Nov 8th

Online Store: <https://www.scholastic.com/bf/columbia>

We can't wait to "see" you at the Fair!

Free Internet Access for Qualifying Families

Many Woodland Public School's families may qualify for new broadband Internet access from now until June 30, 2021 thanks to the new K-12 Internet Access Program.

If your family is eligible for the Free and Reduced Meal program and you didn't have an internet connection in your home prior to August 2020, you qualify for free internet access.

To confirm eligibility, internet providers will need a few details from you about your income. This information will be shared with Washington State's K-12 education department through a secure access portal and will never be used for any other purpose.

Please note, the State of Washington will audit eligibility throughout the program. Should they determine your family's eligibility status has changed, service will be discontinued under terms of this program.

To enroll, follow the below instructions for your local broadband provider:

- **Comcast Xfinity:** Call Gabby Meador at (360) 841- 2718
- **Zipty Fiber:** Call (866) 916- 0139 and provide the promo code woo2020
- **Presidio:** Fill out this form: surveymonkey.com/r/FreeSchoolInternetWA and use referral code WA2020

Which provider should families contact?

If you are in the Comcast service area, apply to them, see <https://www.xfinity.com/locations/in-my-area> (click "Change Location" to enter a specific address). If not, try the Zipty service area, see <https://getziptyfiber.com/sales>. If neither of these will serve your address, then please reach out to Presidio.

For additional information or help: Please call Gabby Meador, Director of our Family and Community Resource Center, at (360) 841- 2718
