Academics @ Woodland Middle School

Grading Policy
The grading policy is a vital part of the school program. Grading provides a means of determining a student’s progress during the school year and a final evaluation of the skills and knowledge displayed in a given class. Showing fairness to all students is of prime importance in grading. The student must be aware of each teacher’s method of grading at the beginning of each course or when the student enters the course. Parents are also encouraged to use Skyward, an internet based system in which parents have access to assignments, grades, and attendance. The letter grade is the percentage of the earned accumulative points in relation to the possible points available through the quarter. **The standard grading policy is 90% minimum for A, 80% minimum for a B, 70% for a C, and 60% for a D.**

A-  Excellent
   - The student has completed required assignments in an outstanding way
B-  Above Average
   - The student has completed the required work in an above average fashion
C-  Average
   - The required work has been completed satisfactorily
D - Below Average
   - This is the lowest passing grade. Only minimum requirements have been fulfilled
F-  Unsatisfactory

Report Cards
Students and parents are each given passwords to Skyward to access grades online, communicate with teachers, and access student information. Grades are updated by teachers on Skyward on a routine basis. If you do not currently have a Skyward password, please contact the WMS office for help accessing your family’s account.

Homeroom Teacher
Each student at Woodland Middle School is assigned a homeroom teacher who will monitor his/her progress. Students will meet with their homeroom teacher each day during 1st period. The Homeroom teacher will help guide the conferences in the fall and spring with their homeroom students.

Conferences
Conferences will be held twice a year at Woodland Middle School.
**Attendance @ Woodland Middle School**

Students are required to attend school regularly. If your child has been absent from school, or intends to be absent, please notify the school office by telephone or in writing. If absent, for any reason, all work is required to be completed. Parents must excuse absences within 3 school days otherwise it will be considered unexcused. The Woodland School District permits excused absences for the following reasons:

- Participation in a school-approved activity.
- Absence due to illness, health condition, family emergency or religious purposes.
- Absence for parental approved activities. An absence may not be approved if it causes a serious adverse effect on the student’s educational progress.
- Absence resulting from disciplinary actions, such as short-term suspension.

The “Becca Bill,” is legislation that monitors truancy and requires school districts to respond to chronic truancy early. After each unexcused absence, the school is required to contact the parents by phone or letter. After two contacts, the school must schedule a conference with the parent and student to discuss solutions to the truancy problem. If a student has five unexcused absences in a 30 day period, the school may file a petition with Cowlitz County Juvenile Court, asking the court to order the student to attend school. The school is required to file a petition with the juvenile court if the student has seven unexcused absences in a 30 day period or ten unexcused absences in a school year. (RCW 28A.255 - Washington State Compulsory School Attendance and Admission Law).

Enrollment and attendance records shall be maintained in each school building. At the conclusion of the year, the enrollment and attendance information shall be recorded on the student’s permanent record card. The attendance registers shall remain in the school building for a period of 5 years, after which time the registers shall be sent to the district office to be destroyed.

**Tardies**

The staff’s primary duty is to educate your child. In order to do this, we need your student to be present and on time to class. All Woodland Middle School students have 5 minutes to transition between classes during the school day. During this time students can go to their locker and/or use the restroom. Tardies are counted EACH time you are late for a class.

**1st Period Tardies:** Woodland Middle School starts on Monday at 10:00AM and Tuesday-Friday at 8:45AM. Any student not in class when the Start of school bell rings **(10:00 AM-Mon and 8:45 AM-Tue-Fri)**, must check in through the office.
If a student receives 3 unexcused tardies to 1st period, they will be assigned lunch detention. Each subsequent tardy will result in additional lunch detention, contact to the family by the office, and /or further disciplinary action assigned by WMS Administration.

**2nd-7th Period Tardies:** For all other classes during the day, a student is considered tardy when he/she is NOT in the classroom by the time the bell is finished ringing. An excused tardy requires a hall pass from a teacher, secretary, counselor, or administrator.

If a student receives 3 unexcused tardies in ANY class, the teacher will write a minor referral, turn it into the Dean of Students, and students will serve time in the lunch detention room. Each subsequent tardy will result in additional discipline, contact to the family will be made by the teacher, and/or WMS Administration.

**Leaving Campus/Signing In and Out**

If a student must leave school between the time he/she arrives for school and the time school is dismissed, the parent or guardian who is taking the student must sign the check-out form in the office before the student leaves the building. If the student returns to school before dismissal time, he/she must sign in at the office before returning to class.

*Woodland Middle School has a closed campus policy.* This means a student is not allowed to leave the school grounds without first signing out in the office. Students must present a note from home or verbal authorization must be received from a parent, the school nurse, a teacher, or from an administrator in order to check out and leave school grounds. If a student leaves without permission they will have discipline assigned to them.

**Emergency Contact Information**

Each student has a STUDENT INFORMATION RECORD on file in the school office. This information must be kept current, as this is used to contact the parent or an authorized person in case of illness or emergency. Please contact the school office if the student information changes during the year.

General Information @ Woodland Middle School

ASB Cards
Our school financially supports most of the student activities program through the sale of student body cards. The cost of the card provides students with free admittance to all Woodland Middle School home athletic events, as well as a reduced cost to Woodland High School home athletic events, and reduction of cost to Woodland Middle School dances, movies, and events. Students must have their ASB cards present to receive discounts.

Cost → $20 Each School Year

Classroom Conduct
Woodland Middle School follows the school wide expectations of the 4 B’s. However, each teacher has prepared classroom expectations that may vary slightly from teacher to teacher, they are designed to ensure orderly conduct; therefore, it is essential that students comply willingly with these expectations. Classroom disruption is not an acceptable behavior. It detracts from the learning of others and infringes on a student’s right to acquire an education.

Dress Code and Hat Policy
Hats will be allowed in the building during the school day. The only exception will be during planned SPIRIT DAYS at WMS when a hat MUST be a part of the students outfit. Students who choose not to follow the guidelines, will face consequences.
Drills & Other Emergencies

Periodically, emergency drills will be held at school. All students will leave the classroom/building by pre-assigned exits. Students are expected to clear the building in a quiet, orderly manner, so that further instruction from school personnel may be given. In case of an earthquake or extreme wind, students will take cover under desks away from windows.

Field Trip Guidelines
Students should follow the 4 B’s of Woodland Middle School, and should also follow directions from all attending adults and regular bus rules.

In order to attend WMS Field Trips students must meet the following requirements:

- Be passing all classes (No Fs)
- Maximum of one major referral for the semester the trip is taking place
- No ISS or OSS Suspensions during the semester the trip is taking place
- Less than 10% absences at the point of the year that the trip is taking place
- All fines and fees must be paid

Fines
Students may be assessed fines for lost library books, unpaid lunch loans, damaged textbooks, or failing to return athletic uniforms. Students who do not pay fines may not participate in PBIS rewards days. In addition, all students with fines will not be eligible for the end of the year activities.

Games, Dances and Other School Event Guidelines
In order to attend after school games, dance, movie, or other school events, Woodland Middle School students must be in attendance the entire day of the event. If the student has a doctor/dental appointment that day, it is the parent’s responsibility to obtain a note from the health care provider verifying the appointment. Any other exception will be made by the building administration. No guests (including students from other schools in the district) may attend WMS dances or movies; any exceptions must be approved through the building administration.

Movie and Dance regulations are as follows:

- The number of dances to be held each year shall be determined by the ASB and Class Officers, and approved through the Administrators at WMS.
- Middle school dances are for WMS 7th and 8th Grade students only. The only exception will be the final dance of the year when 6th graders will be invited to attend. Dances are from 3:45 pm to 5:30 pm.
- Middle school movies are for WMS 5th and 6th Grade students only. Movies are from 3:45 pm to 5:30 pm.
- Students will not be permitted into the events after 4:00 pm
- WMS dress code is applicable at school sponsored events
- If you need to leave early a parent/guardian must check you out
- Chaperones will be WMS Staff Only at dances and movie nights
• From the time students arrive, they are not to leave the building. If there are exceptions to the rule, the adult in charge must give permission. Any student leaving without permission may not re-enter and is subject to school discipline
• Continuation of movies or dances for the rest of the year depends on the behavior of students at each of the events
• The WMS Staff member in charge will determine the movie being played and the lighting arrangement for the events
• Small Concessions will be available for purchase at both events
• The club or activity sponsoring the dance or movie will be responsible for cleanup

**Hall Passes**
Students should have a hall pass at all times to be in the halls during class periods. The only exception is if they are with a staff member.

**Language**
Students will not use or produce vulgar, obscene, negative, hateful, hurtful or demeaning language, writing, pictures, signs or acts.

**Library Guidelines**
The library at Woodland Middle School is a place for research, study, and reading. The following are procedures for our library:
• A maximum of five books may be checked out at a time (All lost books must be paid for)
• Return books on time; otherwise you will not be permitted to check out additional materials
• Return all checked-out books to the circulation desk
• During class time, students must have a pass to be allowed in the library
• Reference materials must remain in the library

**Lockers**
Each WMS Student will be assigned a locker. If they decide not to use a locker they must notify the office. Students are expected to use only the locker assigned to them. The assigned student is responsible and liable for the condition of the interior and the exterior of the locker.

*The lockers are school property; therefore, the school retains the right to periodically conduct locker checks and to remove contents which do not belong to the student*
or may be deemed unlawful or harmful in any way to the welfare of that student or other students. Students need not be present when the search is conducted.

If a student jams their locker to keep it open or misuses their locker, the student will be issued a warning. If there is a second occurrence, the contents of the locker will be bagged and stored in the middle school office and the locker privileges for the student may be revoked.

Students assume all risks for items not in their personal possession. Valuables may be checked in the office for safekeeping. Students are not to share their locker combinations with others. Students are issued lockers to keep their backpacks, purses, and school supplies enclosed. There is time between classes to access your locker. Purses and backpacks are allowed in the classrooms.

**Lost and Found**
The Lost and Found for valuables (ie. keys, phones, jewelry, money) is located in the office. Found items such as these, should be turned into the office. All other found items are placed in the designated “Lost and Found” area in the hall. Unclaimed items will be kept no longer than a month, and then donated to a non-profit organization.

**Office Telephone Use**
In the case of an emergency, students can be reached by calling the school office. During the school day, phone calls are to be made through the office, and not by way of cell phones. Students will not be allowed to phone home for such things as permission to go to a friend’s house or if they forgot a note for a bus pass. If a student feels it is necessary to call their parent/guardian (by office phone or cell phone) they must first check in to the office for permission.

**Non-Compliance**
Students should follow the requests and instructions of school personnel. Failure to do so is non-compliance toward school personnel or expectations. Non-compliance is defined as defying instructions of school personnel, the bold resistance of school authority, and/or contemptuous behavior or attitude that is manifested by breaking school expectations. Students who choose to be non-compliant are choosing to have a consequence that follows the Woodland Middle School Infraction Levels of Discipline.

**Pickup**
Students being picked up by parents/guardians will meet them in the parking lot near the Green Gym next to the WMS Trojans sign.
Public Displays of Affection
Woodland Middle School’s policy on displays of affection is “hands off.” The “hands off” policy extends to all school events on or off campus. Disciplinary consequences will be assigned as needed if a student cannot adhere to this policy.

School Bus Procedures and Expectations
Buses will drop off and pick up students outside the WMS Commons Area. Bus lines will be supervised by WMS Staff until every bus has left the grounds. The School bus is considered an extension of the classroom. It is the responsibility of the student to familiarize himself/herself and act in accordance with all bus regulations pertaining to students.

School bus drivers have the authority to hold students accountable for their behavior while on school buses. Misconduct may result in suspension of bus riding privileges. A student that is cited for misconduct will be referred to the office for disciplinary action, and all bus infractions will be recorded in the student’s disciplinary file.

Students must bring a signed note from home to the office first thing in the morning in order to ride a different bus, or to get off the bus at a stop other than the student’s normal stop.

Food and Beverages:
Eating and drinking on the bus are no longer permissible because it encourages sharing and removing face coverings. KWRL staff will educate students on the expectations and enforce the NO FOOD OR DRINK policy on the bus to promote health and safety for all passengers.
**Electronic Devices:**
Students are NOT to share electronic devices. This will help with keeping social distances and avoid unnecessary exposure. This is already a policy

**Loading:**
- Drivers are responsible for directing students on where to sit and will have a seating chart for their bus.
- Drivers should develop and utilize an assigned seating plan for all students to the best of their ability *when possible.*
- Siblings are encouraged to sit together.

**Unloading:**
- At the school, the driver is responsible for instructing students to *remain seated* and to begin unloading students from front to back.
- The drivers will remind and reteach the expectation that students are to remain seated and wait to unload until the student in front of them has begun to exit and is at a respectful social distance.

**Windows:**
- Windows need to be opened to the first notch, if possible. Please ensure your child has dressed appropriately according to the weather.

**Riding home with friends:**
- Students will only be allowed to ride home on their designated bus. Regardless if their parents call or send a note to the school.
- The only exception is if they are registered to a daycare and notify KWRL.

**School Closures/Delayed Opening**
Each child should know an emergency plan. Emergency school closures may require your child to arrive home before regularly scheduled. Parents need to have a plan in place ahead of time in case of early closure. Emergency phone numbers, babysitters, nearest relatives, etc....should be current and on file in the school office.During severe weather, school may be canceled, start late, or be dismissed early. You can access this information through the WSD website, social media, radio, and television stations, and often a “Robo” call from the district.

**Telephone Use & Electronic Devices**
The district assumes no responsibility for loss or damage of a student’s personal property, and teachers and staff cannot be responsible for student property. For your own protection, please do not bring large sums of money or valuable personal property to school.
The following handheld electronic devices are allowed on campus, but are discouraged from being brought to school: Airpods, I-Pods, I-Pads, Cell phones, Electronic games, Cameras, and other items/devices of value.
Since these items have the potential to be a distraction to the educational process, they must be silenced and stowed away from the time they enter the building to the final bell of the school day. Students may not use any devices (including student issued chromebooks) while walking in the halls.

If a student needs to call home during the school day, they may do so in the office during passing time. Students who choose not to follow the guidelines could face consequences.

**Consequences:**
If an electronic device is turned into the office due to NOT following the rules and expectations the following consequences will take place……

- 1st offense: The student may sign for the device and pick it up at the end of the day
- 2nd offense: The parent/guardian must pick it up from the office
- On subsequent offenses, further administrative action will be taken.

**Use of Computer/Internet**
Students are required to turn in a signed parent permission slip prior to accessing the internet. Unauthorized or inappropriate use of the internet and/or computer or printers will result in a consequence and a loss of access to the internet for a given period of time. Unauthorized or inappropriate use of the internet and/or computer/chromebooks will result in consequences and loss of access for a given period of time.

**Walkers/Bikes**
Students who walk or ride bikes will go directly home or to their parent/guardian-approved after-school destination. For the purpose of student safety, it is important students go straight home and not loiter on campus.

**Visitors**
**Visitors to the school must report directly to the office.** Parents and/or guardians wishing to volunteer will need to complete an application and provide the necessary documents or they must be accompanied by an administrator. Brothers or sisters of school age friends are not permitted to visit during school hours unless they are accompanied by their parents. Non-students, not having an administratively determined valid purpose to be on school grounds will be requested to leave. Enforcement of this request, if necessary, will be by law enforcement authorities.

**School Breakfast/Lunch @ Woodland Middle School**
Breakfast and Lunch is purchased through the school office or online through Skyward. Each student has an individual meal account to which families can make deposits of any amount. Meals are then debited from that account with a pin number. Families can access their student’s
account to check balances, make a deposit or verify purchases through Skyward. A link to the web site and password information can be emailed to you at your request by calling the WMS school office.

**Cafeteria Guidelines**
The cafeteria strives to provide a variety of lunchtime choices. We encourage all students to eat a healthy breakfast and lunch. WMS students must take an entrée, milk and a fruit or vegetable. Money for your lunch account will only be accepted at the Woodland Middle School Office. The cashiers in the commons *WILL NOT* take money towards your lunch. Food purchased in the cafeteria, should be consumed in the cafeteria/commons. Students are expected to pick up their garbage and clean up their areas before leaving their lunch table.

**Candy and Energy Drinks**
Students who feel it is necessary to eat candy at school may do so only in the cafeteria at lunch time. All students should NOT have *Energy drinks at school*.

**Student Health Services @ WMS**

**Health Room**
The health room is available for students who become ill while at school or who need care for a health problem or injury. A student should stay at home if he/she feels ill or has a fever of 100.3 or higher when it’s time to leave for school. If a student needs to go home, the parent or emergency contact will be contacted by the school and arrangements should be made as soon as possible to pick up the student. Students must remain home for 24 hours after their fever has subsided without the use of medication, and/or their last episode of vomiting or diarrhea.

**Injuries**
When a student is injured at school, it should be reported to the teacher and/or staff and office on the same day the incident occurs. Students should report any unsafe conditions as soon as possible.

**Medication**
Students are not allowed to carry medications at school. The only exception to this would be for emergency inhalers and epipens with written approval from their healthcare provider. A signed physician order form is required to be on file in the school health room. School personnel are not allowed to give students any medicine, including over the counter medication without written orders on file in the health room. Written permission by parent/guardian AND a signed
“Authorization for Administration of Medication at School” must be on file for any and all medications at school. Forms may be picked up at the school office. Also, most provider offices have a copy of this or have their own version of this form, which is also acceptable. Medicine must be transported to and from school by a parent/guardian. Students may not personally transport medicine to and from school. **Prescribed medication must be provided in the container labeled by the pharmacist with the name of the child, the name of the medication, the dosage and frequency in which the medication is to be given. All medications must be transported to the school office by a parent. Over the counter medications must be a new, unopened supply. If medication samples are to be given, they must be labeled with the student’s name, dosage, and time to be given.**

**Other Health Issues**
Students in 5th and 7th grades will receive vision and hearing screenings each year. Staff members are legally responsible for reporting all suspected cases of child abuse and neglect.

**Meningococcal Disease**
State law RCW 28A.210.080 requires schools to provide meningococcal information to parents and students in grades 6-12. Meningococcal disease, commonly known as meningococcal meningitis, strikes up to 3,000 adolescents and adults in the U.S. each year. A vaccine is available and it can help protect against up to 83% of the disease cases occurring among adolescents and young adults. Vaccination is not required for school attendance. For additional information, visit the following website: National Meningitis Association [http://www.nmaus.org/programs/pta/index.htm](http://www.nmaus.org/programs/pta/index.htm)

**Human Papillomavirus (HPV)**
State law RCW 28A.210.080 requires schools to provide human papillomavirus (HPV) information to parents and students in grades 6-12. HPV is a common virus that infects teens and adults. About 1 million people, including teens, become infected with HPV each year. HPV infection can cause cervical, vaginal, and vulvar cancers in women and penile cancer in men. HPV can also cause anal cancer, cancer of the back of the throat (oropharynx), and genital warts in both men and women. The HPV vaccine protects against cancers caused by HPV infection. About 85% of people will get an HPV infection in their lifetime. Vaccinating all 11–12-year-olds can protect them long before they are ever exposed. The CDC recommends two doses of HPV vaccine for all adolescents at age 11 or 12 years. For additional information, visit the following website: [https://www.cdc.gov/hpv/index.html](https://www.cdc.gov/hpv/index.html)

**Positive Behavioral Interventions & Supports (PBIS)**
The main focus of Positive Behavior Interventions & Supports (PBIS) is to provide a clear system for all expected behaviors at Woodland Middle School. The system places an emphasis on clear and consistent expectations, positive reinforcement, and follow through from all staff to ensure success for all WMS Students. WMS 4 B’s are: Be Safe, Be Respectful, Be Responsible, Be Involved. These rules are broad categories and the matrix that follows in the next section shows the breakdown of location specific expected behaviors under these categories. The expectations are posted in designated areas to help reinforce lessons taught in the classroom.
Positive Reward System
This component of PBIS is a school-wide plan to “catch students being good.” Once appropriate behaviors have been defined and taught, they need to be acknowledged on a regular basis.

Corrections
When students violate behavioral expectations, clear procedures are needed for providing information to them that their behavior was unacceptable. As a result, a school wide corrections program will be implemented. This will allow for consistency among staff and administration.

Infractions of behavior are split into two behaviors, minor and major. Minor violations will be handled with the teacher involved, and major violations will be handled by the administrators.

A minor violation on the first offense will result in documentation and problem/solving consequences. The second same minor offense will result in documentation, problem solving/consequences, and parent phone contact. The third same minor offense will be referred to an administrator. Any major violation will be immediately referred to an administrator.

Frequent Rewards

* Trojan Tickets
The Goal: Reward students for following expectations and showing good performance
Reward: Use the tickets to purchase items from the PBIS School Store

*Quarterly or Semester Rewards Afternoon
Students are invited to participate in a reward afternoon once a quarter during the school year based on grade reports and lack of major disciplinary action. In order to participate in a rewards afternoon students must meet the following requirements:

- All passing grades (No F’s)
- Have not received a suspension during the quarter(s)
- Have not received a major referral during the quarter(s)
- Have not received 2+ minor referrals during the quarter(s)
  - This does include tardies (1st-7th Period)
- Have not missed more than 10% of the school days currently (Excused or Unexcused)
- Alternative Rewards will be offered for anyone who is unable to attend

Serious Rule Infractions @ Woodland Middle School

Consequences for an office referral for student misbehavior will often begin with a parent contact by phone, letter/email or conference. These rules violations will be handled by an administrator or dean. The student may be required to appear to meet with staff to address the issue in the presence of parents or guardians. In certain instances, appropriate community agencies, law enforcement, or the Board of Education may be involved as part of the process.

These offenses are the most serious disruptions to the educational process and may result in short term suspension, long term suspension, or expulsion from school. Short term suspension means a suspension for any portion of a calendar day up to and not exceeding ten (10) consecutive school days. Long term suspension means a suspension which exceeds a short term suspension.

The consequences of disruptive behavior are determined by the nature and circumstances of the behavior, as well as the severity, and the number of prior office referrals. While it is not possible to list all potential infractions, the following acts are specific infractions of rules that will lead to disciplinary action if such acts occur on school grounds, school transportation, and at school events on or off school premises.

**Tobacco and Vape Use**
The board of directors recognizes that to protect students from exposure to the addictive substance of nicotine, employees and officers of the school district, and all members of the community, have an obligation as role models to refrain from tobacco use on school property and in any proximity to students.

Smoking or any other use of tobacco products shall be prohibited on school district property. In addition, smoking or any other use of tobacco products shall be prohibited off school property during any school-sponsored or school-approved activity, event, or function, such as a field trip or athletic event, where students are under the jurisdiction of the school district. This prohibition applies to staff and all volunteers. Employees and students are subject to discipline for violations of this policy, and school district employees are responsible for the enforcement of the policy.

**Drug-Free Schools**
The Woodland School District supports and enforces drug-free schools. Use and/or possession of alcohol and illicit drugs is unlawful, wrong, and harmful. A student shall not knowingly possess, use, transmit, be under the influence of, or show evidence of having used alcohol or any controlled illegal, addictive, or harmful substances of any kind (including anabolic steroids) while on school grounds or at a school activity, function, or event. Violation of this policy shall result in the following:

- The parent(s) will be notified to discuss appropriate treatment.
- The school administration may request the assistance of a law enforcement official investigating the source of the substance.
- Appropriate school disciplinary action will be taken.

To ensure the safety, health and well-being of all students, the district is committed to a program that emphasizes drug and alcohol abuse prevention, intervention, aftercare support and necessary corrective actions. While the primary obligation to seek assistance rests with the student and his/her parent(s), school staff shall work with the home and community to develop and implement a comprehensive prevention and intervention program. The district shall seek the support and cooperation of public and private agencies as necessary.

**Activities/Athletics @ Woodland Middle School**

**Participation Fees**
- All participating athletes must purchase an associated student body card (ASB) and pay the seasonal participation fee prior to participation
- All student athletes must pay a participation fee of $50.00 per sport for WMS athletes.
This fee guarantees participation in the activity as long as the student meets the eligibility requirements. **Refunds will only be receipted if a student is cut from the program**
- Any athlete with outstanding fines (past due library books, textbooks, sports gear, etc.) will not be cleared for participation until the fines have been cleared

**Registration Fees**
An athlete and his/her parent/guardian must complete all required athletic registration forms using Family ID.

**Physicals**
All athletes must provide proof of a current physical examination by a doctor certified to perform physical examinations, or by a WIAA approved medical professional

**Attendance to Participate**
The intent of this policy is to reinforce the importance of school attendance for all students. Athletes are expected to be in attendance the entire day in order to participate in athletic events. An unexcused absence from one or more periods will result in a one game suspension from the first contest after an attendance check – which will occur on a weekly basis. It is recommended that whenever possible, absences are pre-arranged

**Code of Conduct**
All Woodland School District athletes will recognize that both as a team and as individuals, they have the responsibility to display the highest degree of good sportsmanship. An athlete who displays inappropriate conduct in practices, contests, or during travel time, will receive a minimum of a verbal warning to possible suspension from the activity. Woodland School District Code of Conduct outlines the following behavioral expectations for our student athletes at all athletic events:
- Accept and understand the seriousness of your responsibility and the privilege of representing your school and community
- Live up to the standards of sportsmanship established by the school administration and the coaching staff
- Treat opponents the way you would like to be treated as a guest or friend
- Refrain from taunting, trash talking, or making any kind of derogatory remarks to your opponents during the game, especially the comments of an ethnic, racial, or sexual nature
- Wish opponents good luck before the game and congratulate them in a sincere manner following either victory or defeat
- Respect the integrity and judgment of game officials.

**Woodland School District Information**
**Gender-Inclusive Schools**

The board believes in fostering an educational environment that is safe and free of discrimination for all students, regardless of gender expression, gender identity, or sex. To that end, the board recognizes the importance of an inclusive approach toward transgender and gender-expansive students with regard to key terms, communication and the use of names and pronouns, student records, confidential health and education information, communication, restroom and locker room use and accessibility, sports and physical education, dress codes, and other school activities, in order to provide these students with an equal opportunity for learning and achievement.

This policy is a component of the district’s responsibility to create and maintain a safe, civil, respectful and inclusive learning community and will be implemented in conjunction with comprehensive training of staff and volunteers. Specific training requirements are included in the accompanying procedure. The superintendent will appoint a primary contact to receive copies of all formal and informal complaints and ensure policy implementation. The name and contact information for the compliance officer will be communicated throughout the district. The district compliance officer will participate in at least one mandatory training opportunity offered by OSPI.

This policy and its procedure will support that effort by facilitating district compliance with local, state and federal laws concerning harassment, intimidation, bullying, and discrimination.

**COMPLAINT OPTIONS: DISCRIMINATION AND SEXUAL HARASSMENT**
If you believe that you or your child have experienced unlawful discrimination, discriminatory harassment, or sexual harassment at school, you have the right to file a complaint.

Before filing a complaint, you can discuss your concerns with your child’s principal or with the school district’s Section 504 Coordinator, Title IX Officer, or Civil Rights Coordinator, who are listed above. This is often the fastest way to resolve your concerns.

**Complaint to the School District**

**Step 1. Write Our Your Complaint**
In most cases, complaints must be filed within one year from the date of the incident or conduct that is the subject of the complaint. A complaint must be in writing. Be sure to describe the conduct or incident, explain why you believe discrimination, discriminatory harassment, or sexual harassment has taken place, and describe what actions you believe the district should take to resolve the problem. Send your written complaint—by mail, fax, email, or hand delivery—to the district superintendent or civil rights compliance coordinator.

**Step 2: School District Investigates Your Complaint**
Once the district receives your written complaint, the coordinator will give you a copy of the complaint procedure and make sure a prompt and thorough investigation takes place. The superintendent or designee will respond to you in writing within 30 calendar days—unless you agree on a different time period. If your complaint involves exceptional circumstances that demand a lengthier investigation, the district will notify you in writing to explain why staff need a time extension and the new date for their written response.

**Step 3: School District Responds to Your Complaint**
In its written response, the district will include a summary of the results of the investigation, a determination of whether or not the district failed to comply with civil rights laws, notification that you can appeal this determination, and any measures necessary to bring the district into compliance with civil rights laws. Corrective measures will be put into effect within 30 calendar days after this written response—unless you agree to a different time period.
Appeal to the School District
If you disagree with the school district’s decision, you may appeal to the school district’s board of directors. You must file a notice of appeal in writing to the secretary of the school board within 10 calendar days after you received the school district’s response to your complaint. The school board will schedule a hearing within 20 calendar days after they received your appeal, unless you agree on a different timeline. The school board will send you a written decision within 30 calendar days after the district received your notice of appeal. The school board’s decision will include information about how to file a complaint with the Office of Superintendent of Public Instruction (OSPI).

Complaint to OSPI
If you do not agree with the school district’s appeal decision, state law provides the option to file a formal complaint with the Office of Superintendent of Public Instruction (OSPI). This is a separate complaint process that can take place if one of these two conditions has occurred: (1) you have completed the district’s complaint and appeal process, or (2) the district has not followed the complaint and appeal process correctly.

You have 20 calendar days to file a complaint to OSPI from the day you received the decision on your appeal. You can send your written complaint to the Equity and Civil Rights Office at OSPI:
