When to stay home:

- Fever of 100.4 degrees or higher
- Feels too sick to participate in school activities
- Needs fever or pain medication (like Tylenol or Motrin) to feel good
- Moderate to severe cough
- Shortness of breath
- Stomach pain
- Sore throat
- Diagnosed with COVID, flu, strep throat or pinkeye
- Vomiting
- Diarrhea
- New rash
- Bloodshot eyes or excessive discharge

If a student develops these symptoms during the school day, nurses will use their discretion to determine whether a student should be sent home.

When to return to school following an illness:

- 5 days following a COVID diagnosis if asymptomatic or symptoms are resolving (no fever, runny nose or productive cough)
- No fever for 24 hours without fever-reducing medications like Tylenol or Motrin
- Occasional cough
- Feels good enough to fully participate in school activities
- No vomiting or diarrhea for 24 hours
- 24-hours of antibiotics following a strep throat, pinkeye or ear infection diagnosis

INVEST ED

Immediate help for students in need

Invest ED is a non-profit that provides students with immediate help when it is needed most, our school utilizes the funds they provide to help students in need throughout the school year. If you would like to learn more or donate please click [here](#).

This year alone we were able to help over 20 students with the funds they provided us.
