END OF YEAR MEDICATION PICK UP

Please pick up your child's Inhaler or EpiPen by the end of the school day on **June 17th**
OR on your child's last day of school attendance.

All other non-emergency medication may be picked up prior to June 17th.

All Medications not picked up by the end of the school day on June 17th will be discarded.

Students who have physician orders to self-carry an inhaler or EpiPen will have their backup medication from the health room returned to them on the last day of school.

It is against district policy and drug free schools for a student to transport medication without licensed health care provider orders to and from school; therefore, we cannot send medication home with your child.

Thank you,
