

Dear Mr. Green,

Thank you for selecting me as one of the recipients for the Trust Fund Scholarship. I greatly appreciate the scholarship, and it will be put to good use when I start school at Clark in the fall. This will help me achieve getting my two year degree, and possibly continue my education further; I am very thankful for the donations made by our own community.

Sincerely,

A handwritten signature in black ink, appearing to read "Jessica Watts", with a stylized flourish at the end.

Jessica Watts
