A grievance not responded to within the time limits prescribed by the appropriate District representative at each step shall entitle the aggrieved employee's grievance to proceed to the next step. The limits prescribed herein may be waived by mutual agreement, in writing by the aggrieved employee or the Union in a class grievance, and the appropriate representative at each step.

Section 3.5. Steps.

The arbitrator shall be selected by the American Arbitrator's Association in accordance with its rules which shall likewise govern the arbitration proceeding. Neither the employer nor the Union shall be permitted to assert in such arbitration proceeding any grounds or rely on any evidence not previously disclosed to the other party.

Section 3.6. The arbitrator's decision will be limited to the specific grievance and the scope of the existing contract language. Both parties agree to be bound by the award of the arbitrator, and that Judgment thereon may be entered in any court of competent jurisdiction. An employee recalled by the District and accepting the position shall have two (2) weeks to report to work if employed elsewhere at the time of recall.

Section 12.6. Postings and Promotions. New positions or vacancies shall be posted for current employees at all buildings for five (5) full work days before advertising to outside applicants. Employees are encouraged to submit updated application materials for their personnel file at any time. Where all relevant factors (such as merit, ability, performance, physical and mental fitness) are relatively equal, length of

continuous service shall govern. The District will not consider outside applicants until all current employees have already been interviewed and considered.

Prior to any involuntary transfer, the District and the Union will meet to discuss the rationale and selection of employees for transfer. Except for disciplinary transfers subject to just cause, employees will be involuntarily transferred to different assignments within their job classifications only to accommodate changes in student, program or enrollment needs. The District will first ask for volunteers among the affected employees, and if no employee volunteers, the least senior employee in the affected assignment will be reassigned, unless the District and the Union agree otherwise.

The time will be assigned according to total district seniority if they have the necessary skills, abilities, and qualifications and if their current schedule would allow for such time.

Section 12.8.1. Any increased hours over one (1) hour will be posted district-wide.

Section 12.8.2. Additional time will not be assigned if it would result in overtime or conflict with required rest periods. Assignment of hours shall not be made if it would have a negative impact on a student's instruction.

Section 12.9. Reduced Hours – Paraeducators. When it is necessary to reduce Paraeducator's hours more than one (1) hour per day, the hours will be reduced from the least senior employee within the classification. When the hours of an Paraeducator drop below four (4) hours a day as a result of a District reduction in hours, the Paraeducator shall have the option of being placed on the layoff list. The District shall make a reasonable effort to keep Paraeducator hours the same throughout a school year.

Section 12.10. Rescheduled Shifts. When the District reschedules a swing or night shift position to a different (earlier) start time of more than two (2) hours, the position shall be posted and offered by seniority within the classification.

- b. Employees must have a letter on file, as referenced above, to be available for this work.

Section 12.12.6. To call occasional substitutes, the list of available employees for non-school day work shall be used as a roster in order of seniority. Regular substitutes are not on the list and only called when reasonable effort has been made to reach members on the list or the list is exhausted.

Section 12.13. Job Shares. The District will accept proposals from two employees to share one position. The District reserves the right to approve or reject the application. If the job share dissolves, the remaining employee will be required to assume the entire position. Each employee will be entitled to pay and other benefits in proportion to the employee's FTE.

Section 13.3. Assignment Time. The District shall have the right to establish work schedules and starting times. Each employee will be assigned a definite shift with designated times of beginning and ending which shall not be changed without two (2) calendar weeks prior notice, or mutual agreement of the employee and supervisor. However, exceptions to this could occur due to emergencies or unusual circumstances.

Section 13.4. District Committee Work. When required by the District to serve on District committees outside of normal work time, the employee shall be compensated at their classified rate.

Section 13.5. Workweek. A workweek shall begin at 12:01 a.m. Sunday, and end at midnight the following Saturday. Time shall be calculated to the nearest fifteen (15) minutes.

For cooks and custodians a two (2) hour minimum work period shall be guaranteed for show-up time when the District closes for inclement weather. The employee must actually have reported for work and not have been notified previously.

Section 13.5.4. With prior approval of the principal or the Special Services Director, Educational Assistants shall have the option of working their regular shift on all early release or late arrival days during the course of the school year.

Section 13.6. Temporary Transfer. Employees covered by the Agreement may be temporarily transferred to other classifications or may be used for relief of employees under other classifications. If temporarily transferred to a higher paid classification, for other than training purposes, an employee shall receive the rate applicable to the higher classification rate for all work performed in the higher classification. If an employee is temporarily transferred to a lower

paid classification, he/she shall continue to receive his/her regular rate of pay unless such transfer is made permanent; provided, however, that a transfer to a lower paid classification made at the request of, or for the convenience of the employee, shall not be deemed a temporary transfer regardless of the duration of the transfer and shall be paid at the rate applicable to the work being performed. When changes in the duties of a position are enough to reclassify the position, the position shall be bargained by a Union representative. The monetary value of new positions for which no existing classification applies will be bargained with the Union.

Section 13.7. Custodial Temporary Assignments. The School District may require first aid courses of all employees who work with or are around children. It is agreed that all employees shall be vigilant in seeking out unsafe or hazardous objects or conditions and will report them immediately to the appropriate personnel for correction. If a safety class is required, the employee would not have to pay to take the class, but it would not necessarily be given during working hours unless it was arranged not to interfere with a day's work. If first aid courses are required to be taken at other than regular working hours, the

employee shall be compensated for actual classroom hours attended at the rate no less than minimum wage.

Section 14.2. Accidents. Any employee involved in an accident shall immediately report the accident and physical injury sustained. The employee shall make out an accident report on forms supplied by the Employer and shall turn in all available names and addresses of witnesses to the accident. Accident reports shall be presented in compliance with present policy, a copy of this shall be included in the Employer rules. Failure to comply with this provision shall subject an employee to disciplinary action by the Employer.

Section 14.3. Appearance in Court. When an employee is required by the Employer to appear in court, or before any attorney-at-law for the purpose of testifying, because of an accident he/she may have been involved in during working hours, the employee shall be reimbursed in full by the Employer for all time required to be spent, computed at his/her hourly rate of pay or the daily minimum, whichever is greater, because of his/her appearance. The employee shall reimburse the Employer for any duplicate payments.

Section 14.4. Medical Examinations. When a health examination is required the cost of such examination shall be paid by the Employer unless such service is available through the Cowlitz/Clark County Health Department. The Employer may suggest a doctor.

Section 15.3. Vacation

Section 15.3.1. Each regular full time employee who has completed twelve (12) consecutive calendar months of employment shall be eligible for a paid vacation. After one (1) year of continuous service with the Employer, an employee covered by this Agreement shall be entitled to two weeks at the current straight-time rate of pay in effect when the vacation is taken. After two (2) continuous years of service with the Employer, one (1) additional day of paid vacation shall be successively added to his/her vacation until he/she has earned four (4) weeks.

Section 15.3.2. All vacations must be arranged with and approved by the immediate supervisor. Written requests must be made four weeks prior to the planned vacation. Summer vacations must be requested prior to June 1. Vacations during the school year may be limited both in terms of availability and duration to limit the need for substitutes and to assure an adequate work force.

Section 15.3.3. Unused vacation time may not be carried beyond two years, except that employees may carry over vacation to be used in the third year if the employee presents a plan for using the days and the employee's supervisor approves the plan.

Section 15.3.4. Any person leaving employment and entitled to vacation time will receive up to thirty (30) days vacation pay prorated by workdays in lieu of vacation time provided a minimum of two (2) weeks notice of his/her leaving is given in writing to his/her immediate supervisor or Superintendent.

Section 15.3.5. If a paid holiday occurs while an employee is on vacation, the employee shall receive an additional day of vacation with pay, or pay in lieu thereof.

Section 15.3.6. If an employee is called back from vacation, he/she shall receive the overtime rate of pay for all hours worked and shall be given the remainder of his vacation with pay at a later date unless mutually agreed upon by both parties, in which case he would be paid at his/her regular rate of pay.

To be eligible for the Labor Day and Independence Day (July 4) holidays, an employee must work on a year-round basis (e.g. 260-day employee). A regular employee who works less than year round will be eligible for the Labor Day holiday when scheduled by the District to report to work in their regular position prior to Labor Day in order to start or prepare to start a new school year.

Section 15.5.5. Adoption Leave. Adoption leave shall be granted upon timely application to the employee's immediate supervisor, to a parent in order to complete the adoption process, providing such leave does not exceed an aggregate of five (5) days in any given year. If personal leave is available, the first two (2) days of adoption leave will be deducted from said leave. The District will pay a maximum of three (3) days adoption leave per year. Such leave may be used for court and legal procedures, home study and evaluation and required home visitations by the adoption agency, not possible to schedule outside of regular school hours.

Section 15.5.6. Personal Leave. The District will provide regular part-time employees three (3) days of personal leave during each school year. However, seniority, vacation credits and sick leave shall not continue to accrue while the employee is on leave of absence (except that seniority shall continue to accrue for employees on L&I). The employee shall have the option upon their return to resume the position they held when the leave began, unless the position no longer exists. - (a) the staff member suffers from, or has a relative or household member suffering from, an extraordinary or severe illness, injury, impairment, or physical or mental condition which has caused, or is likely to cause, the staff member to (a) go on leave without pay status; or (b) terminate his/her employment;
- (b) The staff member's absence and the use of shared leave are justified;
- (c) The staff member has depleted, or will shortly deplete, his/her annual leave and sick leave reserves;
- (d) The staff member has abided by District rules regarding sick leave use; and
- (e) The staff member has diligently pursued and found to be ineligible to receive industrial insurance benefits.

Section 15.5.9.2. Any employee who wishes to receive leave under this provision shall submit a request in writing to the personnel office. Section 15.5.9.4. District employees may donate leave as follows:

Section 15.5.9.4.1. An employee who does not earn annual leave (vacation) and who has accrued sick leave balance of more than sixty (60) days may request that the Superintendent or designee transfer a specified amount of sick leave to another staff member authorized to receive such leave. A staff member may request to transfer no more than six (6) days of sick leave during any twelve (12) month period, and may not request a transfer that would result in an accrued sick leave balance of fewer than sixty (60) days. Employees who accrue vacation must transfer vacation

days prior to sick leave days. Sick leave as defined in RCW 28A.400.300 means leaves for illness, injury and emergencies.

Section 15.5.9.4.2. The number of leave days transferred shall not exceed the amount authorized by the donating staff member.

Section 15.5.9.5. The value of any leave transferred under this policy which remains unused shall be returned at its original value to the staff member who donated the leave. To the extent administratively feasible, the value of unused leave which was transferred by more than one staff member shall be returned on a pro-rate value basis.

The district will provide up to \$55 per month in the 2010-11 and 2011-12 school years of the HCA carve out. If any funds remain after pooling for basic benefits, those funds must be equally divided between all employees in the unit and may be used for optional benefit plans. Members of the Union will receive from the District a written statement of premium costs annually, no less than ten (10) working days prior to enrollment period deadline.

Section 15.8. Training Fund. The District shall provide an annual budget of at least \$2,500 for the training and professional development of members of this bargaining unit. Such funds shall be available for the cost of registration, materials, travel and employee time involved in a training or professional development opportunity as forwarded with recommendation by the employee's administrative supervisor and approved by the Superintendent or designee. For the 2010-11 and 2011-12 school years, the District shall suspend the training fund and instead contribute \$5 per month per FTE additional toward the HCA carve out.

Section 15.9 Employee Assistance Program. The District will provide an employee assistance program that includes at least three visits per employee annually. EXHIBIT D – WHAT DOES "JUST CAUSE" MEAN?

The concept of "just cause," referenced in Section 4.1, requires that there be fundamental fairness in decisions related to the discipline and discharge of employees. Arbitrators have articulated many definitions and explanations of "just cause" over the years, including, but not limited to the following tests:

1. Did the employer give the employee forewarning or foreknowledge of the possible or probable disciplinary consequences of the employee's conduct?
2. Was the employer's rule or managerial order reasonably related to the orderly, efficient, and safe operation of the business?
3. Did the employer, before administering discipline to an employee, make an effort to discover whether the employee did in fact violate or disobey a rule or order of management?
4. Was the employer's investigation conducted fairly and objectively?
5. At the investigation, did the "judge" obtain substantial evidence or proof that the employee was guilty as charged?
6. Has the employer applied its rules, orders, and penalties evenhandedly and without discrimination to all employees?
7. Was the degree of discipline administered by the employer in a particular case reasonably related to (a) the seriousness of the employee's proven offense and (b) the record of the employee in his or her service with the employer?

These tests are printed here for the education of employees and supervisors, and not as a limitation on the rights of the parties in any particular case.

EXHIBIT E – WHAT IS THE “WEINGARTEN RIGHT”?

The “Weingarten right,” referenced in Section 4.3, requires that an employee be given the opportunity to have union representation at an employer’s investigatory interview pertaining to the discipline, discharge or suspension of that employee. This rule recognizes that the presence of an able union representative at an investigatory interview may assist the employer in obtaining facts, and may help both sides save valuable time in getting to the bottom of the issue. This opportunity includes the following principles:

1. The employee must request union representation.
2. Rescheduling a meeting to permit a union representative to be present may be appropriate, but the unavailability of a union representative may not unreasonably delay the investigation.
3. The right applies to situations where the employee reasonably believes the investigation will result in disciplinary action. This right does not pertain to “run-of-the-mill-shop-floor conversations” including but not limited to giving instructions, training or needed correction of work techniques.
4. The union representative’s role is to assist the employee, not to disrupt or obstruct the interview. The representative’s role may include clarifying facts or suggesting other employees with relevant knowledge.
5. If an employee requests union representation, the employer may decide to continue the investigation without interviewing the employee. The employer is not required to justify this decision.

These duties and responsibilities are printed here for the education of employees and supervisors, and not as a limitation on the rights of the parties in any particular case.

EXHIBIT F – WHAT IS THE “LOUDERMILL RIGHT”?

The “Loudermill right,” referenced in Section 4.4, is a constitutional right to fundamental fairness in proceedings relating to the discharge of public employees. The Loudermill right requires that public employees with a property interest in continued employment be afforded the following elements of due process prior to termination:

1. A clear and actual notice of the reasons for termination in sufficient detail to enable the employee to present evidence relating to them.
2. Notice of the evidence supporting the allegations against the employee and the specific nature of factual basis for the charges.
3. A reasonable time and opportunity to present evidence in the employee’s own defense.
4. A formal or informal hearing before an impartial decision-maker.

The pre-termination hearing need not definitely resolve the propriety of the discharge. It should be an initial check against mistaken decisions — essentially, a determination of whether there are reasonable grounds to believe that the charges against the employee are true and support the proposed action.

This information is provided for the education of employees and supervisors and is not a limitation on the rights of the parties in any particular case.
