WHS Diploma

To earn a WHS diploma students must earn 24.0 credits, show academic competency on the state assessments, complete a Culminating Project, and complete their High School and Beyond Plan.

*PPR= Personalized Pathway Requirement: Locally determined courses that lead to a specific post-high school career outcome chosen by the student, based on the student's interest and High School and Beyond Plan.

How you earn your 24.0 Credits...

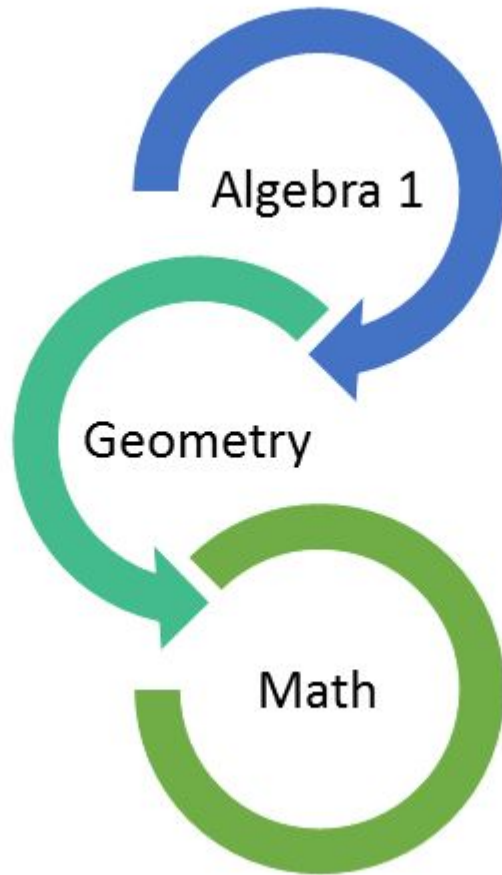

At WHS we have:

- 2 Academic Semesters
- During each semester students take 6 classes + a CLC class. Each class is worth .5 credits and CLC is worth .25 credits.
- At the end of the year students can earn up to 6.5 credits. At the end of four years students can earn up to 26.0 credits.

**Honors ENG 9 will be embedded in regular
ENG 9.**

This will be determined by communication with the teacher.

Math Progression: 3.0 Credits

Students are **required** to take 1.0 credit of Algebra 1 and 1.0 credit of Geometry.

After they have completed their Algebra 1 and Geometry requirements then students will complete an additional 1.0 credit of math. Students can choose from the list to the right or an approved course through Running Start or Cascadia Tech.
