Woodland, WA 98674

Dear Woodland School District staff and students,

Congratulations on being granted the Construction Assistance Award from Governor Jay Inslee and State Superintendent Randy Dorn and for receiving \$11,472,596 to be put towards a new Woodland High School. I am very proud to have a school from my district be chosen to receive this in order to continue to improve the education of the students of the 20<sup>th</sup> District and Washington State.

I commend you for being a strong advocate of education in our district and I am excited to see you continue to provide a positive impact on your students' lives and the tremendous impact this new high school will make.

I trust that you will be an example to the schools in our community and I am looking forward to seeing this new high school advance the education in our district. Please do not hesitate to contact my office if I can be of any help to you. Again, congratulations on your achievement.

Sincerely,
