

ACTION ITEM: 2014-15 LUNCH PRICES

Please review the attached spreadsheet calculating the district weighted average lunch price (\$2.14) and comparison to the required weighted average lunch price (\$2.65) for the 14-15 school year. Current lunch prices are \$2.00 for elementary and \$2.35 for secondary. One of the options is to increase prices gradually (at a minimum of \$.10) to get to the required average. For this reason, I recommend an increase of \$.10 for both elementary and secondary lunch prices for the 14-15 school year. Breakfast prices will remain the same at \$1.35 for elementary and \$1.50 for secondary.

Recommendation:

I move to approve an increase of \$.10 to the paid lunch prices, as required by the Healthy, Hunger-Free Children Act, for the 14-15 school year.
