Our Mission

Lewis River Academy recognizes and supports family choice education where parents are the first and most important educators for their children. Through Lewis River Academy, families can enjoy the benefits of being highly involved in their child's learning while accessing the resources made available to all public school students in Washington State.

Why Lewis River Academy?

- Tuition free quality curriculum
- Flexible schedules and pacing for students
- Opportunity for high degree of parent involvement
- Low anxiety learning experience
- We do the messy science
- Learning activities and meetings with other local home-study families and students
- Local support from a certificated teacher
- Co-enrollment options are available on any of our campuses

Current Demographics

Who we serve

- K-12 Students
- Currently we have 54 students enrolled in our program
- We are qualified as a multi-district provider so we enroll students with a 40 minute drive from campus
- 37% of our students qualify for free or reduced lunch program
- We serve a number of students with unique medical conditions
- We serve families who travel quite a bit
- We serve typical home school families
- We also serve students for a year or less due to various situations

Mastery Based Curriculum

Monitoring Student Success

- Written Student Learning Plans
 - All students must have a written student learning plan, also known as a WSLP.
- Monthly Satisfactory Progress
 - The teacher will email the Monthly Progress Review to parents to review with students.
- Weekly Student Contact
 - Each student enrolled in an alternative learning experience must have *Direct Personal Contact* with a certificated teacher at least once every school week

Looking Ahead

- 9-12 Program location change
- Co-enrollment will continue
- Increased access to highly qualified certificated teachers
- 9-12 students are still welcome on WHS campus
