

Rezone Application: Property Owner's Approval Letter

Applicant: Patrick Holwick and Levi Kruse

Proposed Result: To rezone a portion of the Low Density Residential area, which includes the stated and outlined properties below, to that of High Density Residential.

I am the owner and/or I have the legal authority and permissions to make legal decisions regarding one of the stated addresses below and I have reviewed the associated map that indicates the area to be rezoned. Furthermore, I do hereby consent to the terms of this rezone application, which is to change the stated properties/addresses below from the current status of LDR (Low Density Residential) to the status of HDR (High Density Residential).
