

RTI

Response to Intervention

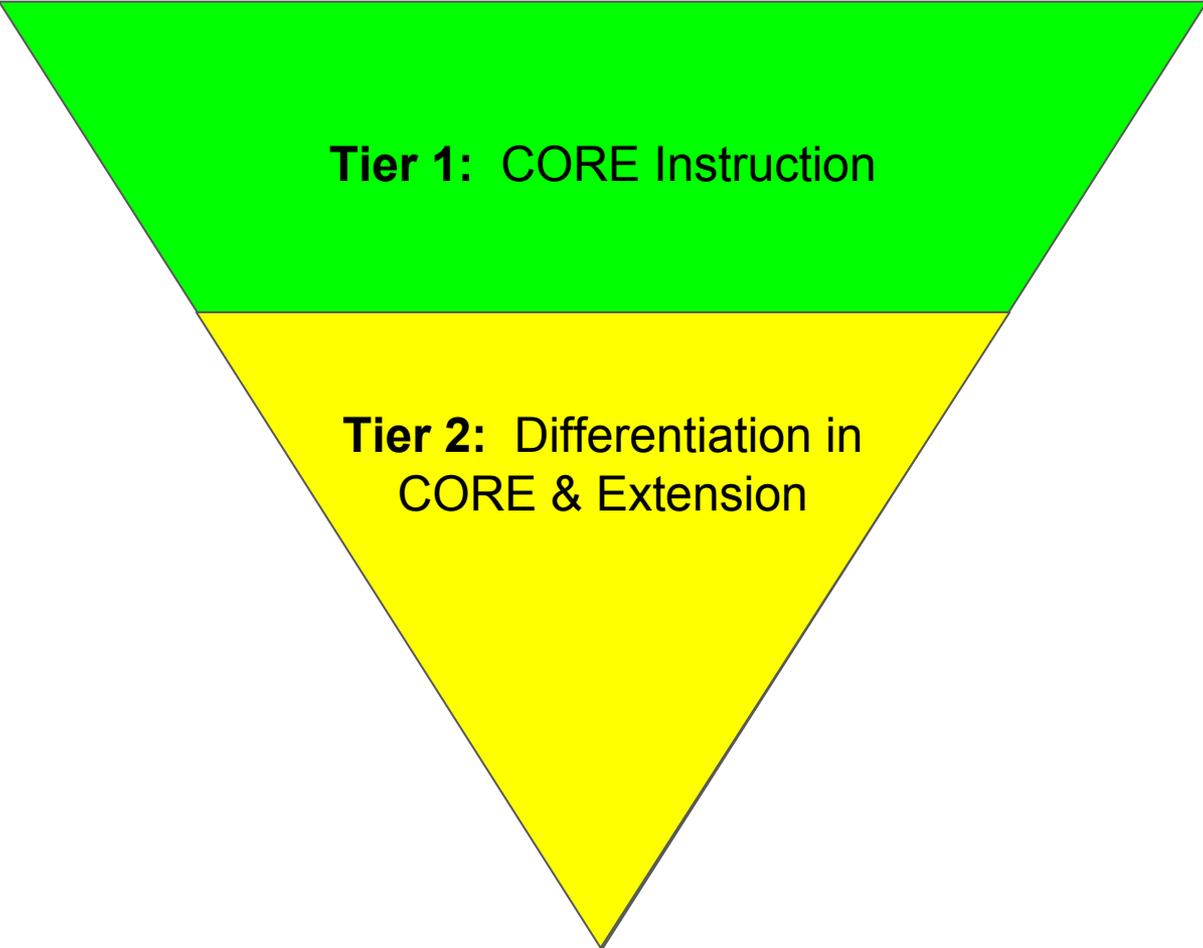

Tier 1: CORE Instruction

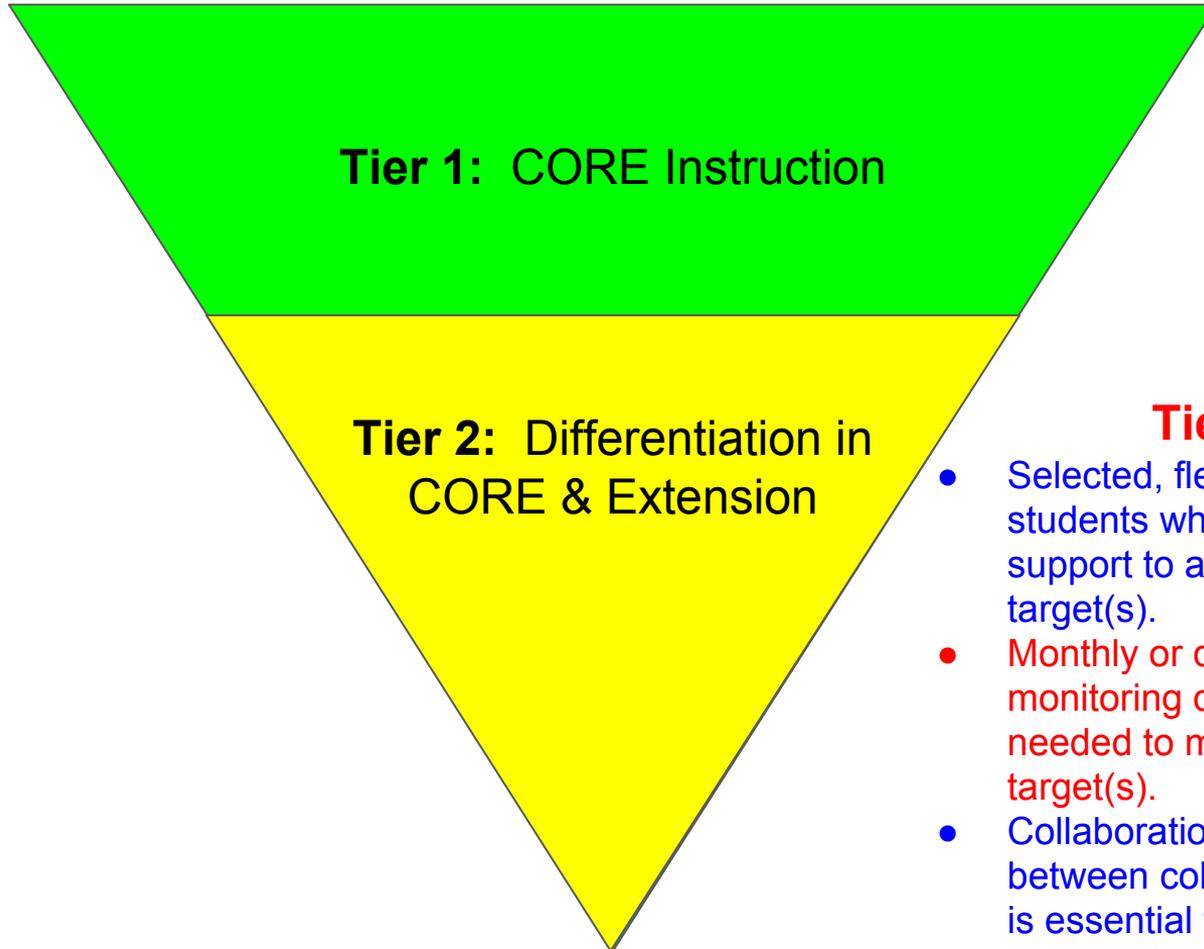

Tier 1: CORE Instruction

Tier 1:

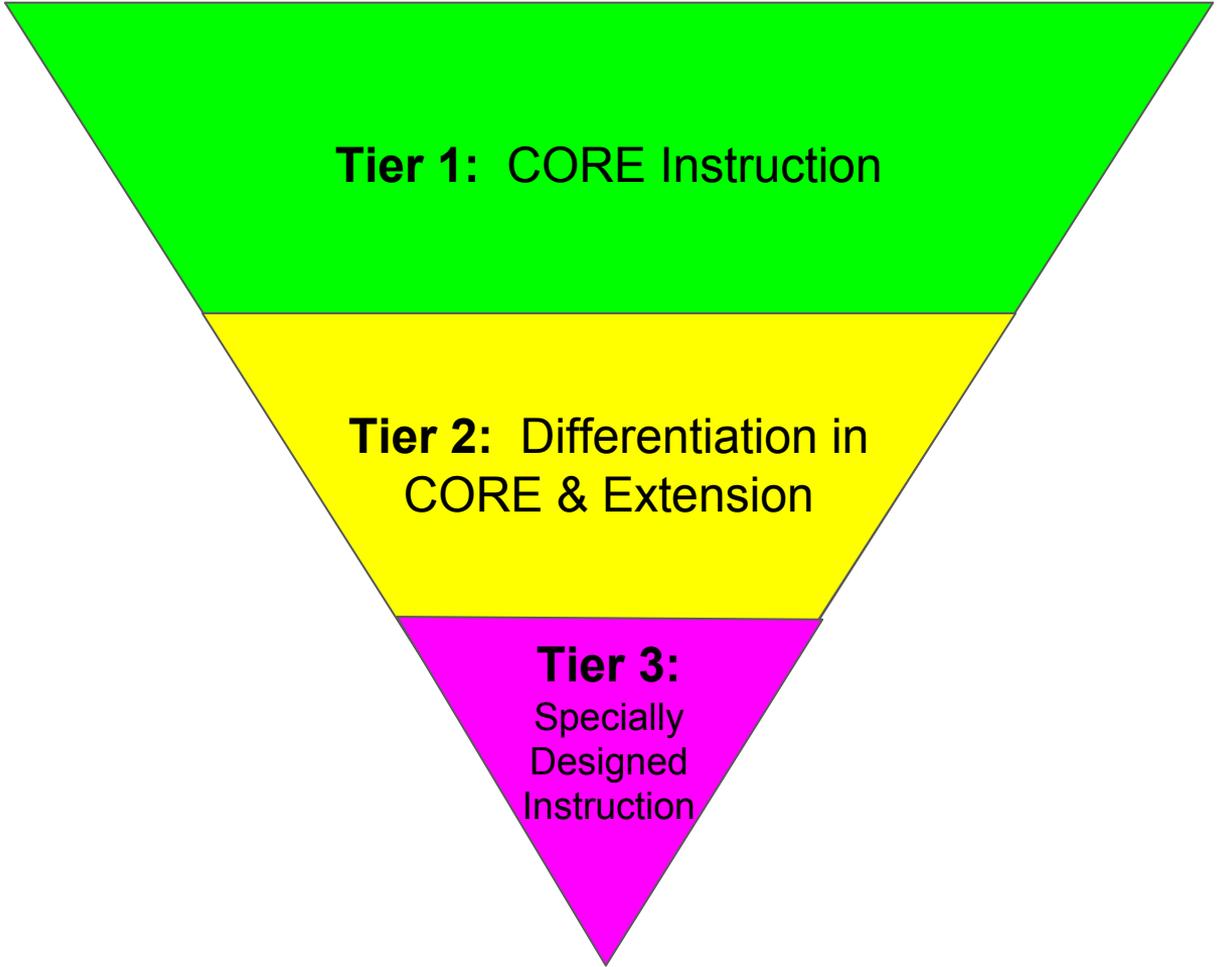

- ALL students receive Tier 1 instruction during CORE.
- Cross grade-level, subject alike collaboration needed to identify and clarify essential standards.
- Collaborate around data to identify difficult standards for large groups of students (*to be addressed in CORE instruction*).
- Screen all students for essential standards

Tier 2

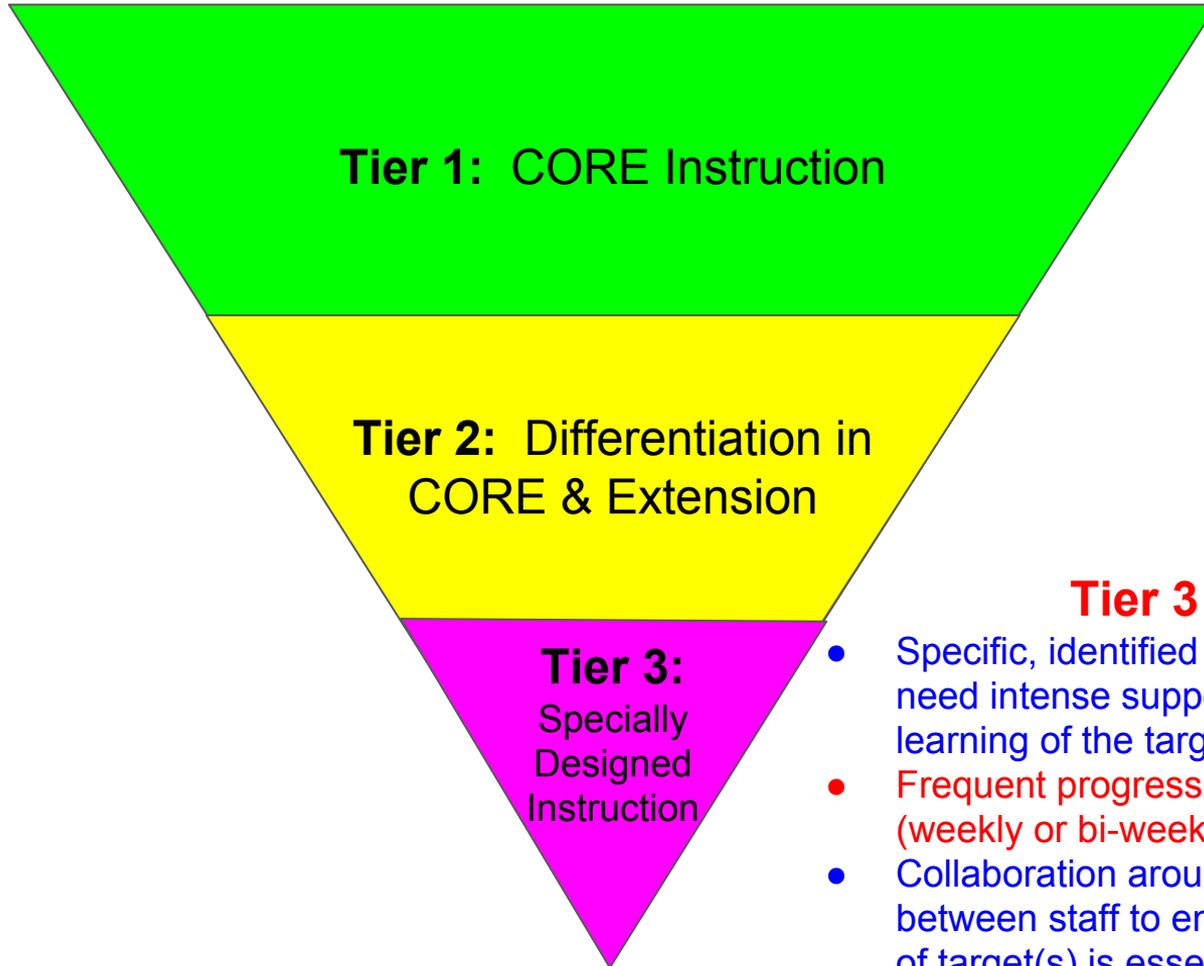

- Selected, flexible groups of students who need additional support to achieve learning of target(s).
- Monthly or quarterly progress monitoring data analysis needed to measure learning of target(s).
- Collaboration around data between cohort and other staff is essential to ensure learning of target(s).

Tier 1: CORE Instruction

**Tier 2: Differentiation in
CORE & Extension**

Tier 3:
Specially
Designed
Instruction

Tier 3

- Specific, identified individuals who need intense support to achieve learning of the target(s).
- Frequent progress monitoring (weekly or bi-weekly).
- Collaboration around data between staff to ensure learning of target(s) is essential.
