# Before and After School Care

- The WCC and YCC programs add opportunities for parents and students in a small community without many daycare options for families
- Programs served about 120 families throughout the year and also provided summer care
- WCC program is licensed by the state and able to provide options for low income families
- Daycare programs ran at a loss of (\$8,650). Last year they had a profit of just over \$1,000. In prior years the district was subsidizing approximately \$14,000 per year with levy dollars.
- WCC loss of (\$1,900) and YCC loss of (\$6,750). These numbers can fluctuate depending on the staff and the level of benefits they choose. For instance, YCC total expenditures were approximately \$11,500 and of this amount almost \$4,000 were for benefits. We have increased the rates to generate more revenues for 16-17.
