It takes a village!

WSD student athletes will become servant leaders that express gratitude and earn the respect of others by doing things the right way - The Woodland Way. Ultimately, our mission is to offer experiences through our athletic program that will have a positive impact on our athletes lives both now and in the future.

## **ATTENDANCE**

- A. The intent of this policy is to reinforce the importance of school attendance for all students.
- B. Athletes are expected to be in attendance the entire day in order to participate in athletic events. An unexcused absence from one or more periods will result in a one game suspension. It is recommended that whenever possible, absences are pre-arranged. After 5 days, an unexcused absence cannot be reversed. **In the event of an unexcused absence, students will have 5 school days (1 week in total) for parents and/or guardians to excuse the absence in accordance with state attendance policies. In the event of an unexcused absence, the following procedure will apply:**
1. The first violation will result in a conference with the Head Coach, Athletic Director, and will be followed by sport specific team discipline as determined by the coaching staff
  2. Second offense will equate to a 1 contest suspension
  3. Third offense will result in a meeting with the Athletic Director, Parent/Guardian, and may result in dismissal from the program
- C. In the event of a late-night return on a school day from an athletic event, the coach and athletic director or district designee will determine attendance arrangements for the following school day. However, every attempt will be made to schedule games with limited travel times or to arrange long district trips on days prior to non-school days.
- D. Students who are ineligible for attendance or academic reasons may not be allowed to travel with the team to away events.

## **MEDICAL CLEARANCE**

When an athlete is seen by any medical services, for any injury or condition, the school will need a clearance from the medical personnel who treated the athlete. The clearance should indicate that the student is cleared for practice/competition, and that the athlete is not taking any medication that would impact their participation. If limited participation is approved, the limitations need to be specifically indicated. Any athlete suspected of sustaining a head injury must be cleared by a licensed health care provider before returning to play (HB 1824). Those licensed to perform physical examinations include a Medical Doctor (MD), Doctor of Osteopathy (DO), Advanced Registered Nurse Practitioner (ARNP), Physician's Assistant (PA), and Naturopathic Physician.
