

DISTRIBUTION OF MATERIALS

The ~~Board~~board recognizes that nonprofit organizations may want to distribute materials in the ~~School District~~school district that are non-curricular but that have social, recreational or educational value for students.

Any nonprofit group wishing to distribute informational material must first submit, to the ~~Superintendent~~superintendent or a designee, a copy of the material ~~for prior approval~~and a statement of the educational value the program provides to students.

Informational materials to be distributed must also be approved by the building principal and meet certain standards prior to distribution. -The primary purpose of the standards is to prevent the exploitation of students by individuals or groups.

It is the responsibility of the ~~Superintendent~~superintendent, in conjunction with the building principals, to draft procedures regarding this policy.
