

COMMUNITY EDUCATION PROGRAM

As a method of extending educational opportunities to the entire community through a fuller utilization of school facilities, a community education program may be established. The program shall be financed by federal, state, and local funds, participation fees, contributions, or some combination of these sources.

The superintendent shall establish and periodically present to the board for review, an organizational plan and tentative program that shall assure that the program is responsive to the varying needs of citizens living in different sections of the community.
