Fall 2011

Good Morning!

Enclosed are the proposed population reports for each of your proposed Board of Directors districts based on Census 2010 data. Also included is a map showing the Board districts as adjusted. I have also provided a statistical tabulation showing the 2010 population by race and Hispanic origin for each of the new board district and the entire district.

After you and your Board have had a chance to evaluate the proposed district reports and map, we will be ready to assist you with any changes that might still be required. Once no further changes are required to the proposed Director districts, and the Board approves them, please submit, in writing/E-mail, your request for us to prepare the narrative Meets and Bounds descriptions.

We will also be providing a Dept of Justice interchange files. These are a file for your County's GIS department. This is to allow them to create 'Shape' files.

If you have any questions, please feel free to contact me at (425) 867-8962 or bob.schweitzer@sammdata.com.

Sincerely,

Robert Schweitzer
Redistricting Project Manager
