Subject: KWRL 2017-2019 fuel bid

Dear Member of the Board

On June 6<sup>th</sup> of 2017 KWRL provided legal notice to the public of an opportunity to provide bids by June 13<sup>th</sup> of 2017 for KWRL fuel purchase agreement for the 2017-2018 and 2018-2019 school years.

On June 13<sup>th</sup> of 2017 KWRL received three bids from three vendors and after opening all bids and assessing the specifics of each proposal Carson Oil appears to be the lowest bidder.

Later on June 13<sup>th</sup> I contacted each bidder and confirmed the cumulative results in a summary and gave each bidder an opportunity to clarify and questions.

KWRL is recommending that the Woodland School Board approve Carson Oil as the successful bidder for all fuel purchases through 2019 for bulk fuel, card lock services and wet hose services.

Sincerely
