

ONLINE LEARNING

The Woodland Public Schools Board of Directors believes that a variety of learning options, including online courses and programs, are critical for 21st ~~century~~Century learners. The ~~board~~Board recognizes that the online learning environment provides students with unique opportunities to become self-disciplined learners with life-long learning skills. Further, the ~~board~~Board believes that online learning provides tremendous opportunities for students to access curriculum and specialized courses in a flexible learning environment that might not otherwise be available.

Therefore, the ~~board~~Board supports a range of online learning opportunities that are equally accessible to all students in the ~~school district~~School District. The ~~board~~Board directs the ~~superintendent~~Superintendent to provide information to parents, students and staff regarding online learning options and the guidelines for participation.

The ~~superintendent~~Superintendent or designee will develop procedures to implement this policy. The procedures will include, but not be limited to, a description of student access to online learning courses/~~grade level coursework~~programs, student eligibility criteria, the types of online courses available to students, methods the ~~district~~District will use to support student success, payment of course fees and other costs, granting of course credit, and conditions under which no credit will be awarded.
