

Career and Technical Education

~~VOCATIONAL EDUCATION~~

The district ~~will~~shall provide a program of ~~Career and Technical Education~~ vocational education to assist students in ~~the~~ making of informed and meaningful ~~educational and career~~ occupational choices, and to prepare students for ~~post-secondary options~~. ~~The district's Career and Technical Education is a planned program of courses and learning experiences that begins with exploration of career options. Additionally, the district's Career and Technical Education program supports basic academic and life skills, enables achievement of high academic standards, incorporates leadership training, provides options for high skill development and high-wage employment preparation and includes enrollment in advanced or skilled vocational and continuing technical education courses. The program and its courses will~~ programs. Such programs shall be included as a part of the regular curriculum of the district.

~~The district will establish local Career and Technical Advisory Committees to assist in the design and delivery of the district's Career and Technical Education program. Committees will advise the district on current labor market needs and the programs necessary to meet those needs. The district's Career and Technical Education program will~~ school. In order to maintain these programs, the board shall approve the content and organization of all vocational courses of study prior to the time plans are submitted to the state superintendent of public instruction. Vocational program development shall be related to employment demands, current and future, and to the needs and interests of students.

~~The board will annually review and approve the district plan for the design and delivery of its career and technical education program. The plan will ensure academic rigor, align with education reform, establish program performance targets, address the skill gaps of Washington's economy and provide opportunities for dual credit.~~

-

~~The high school principal shall appoint representative citizens to serve on general and specialized vocational education advisory committees. Such committees shall advise staff on appropriate educational objectives, instructional content and levels of achievement.~~

The superintendent ~~will develop~~ shall be responsible for developing procedures, which ~~will ensure~~ shall insure that all programs and courses are operated in conformity with the district's plan for Career and Technical Education and with all Federal and State laws prohibiting discrimination based on race, creed, color, national origin, disability, gender, sex, sexual orientation including gender expression or identity, the presence of any sensory, mental or physical disability or the use of a trained dog guide or service animal, religion, honorably discharged veteran or military status. Additionally, the superintendent ~~will~~ district's plans for vocational education. The superintendent shall seek and utilize all available state and federal sources of revenue for the financial support of Career and Technical Education ~~vocational education~~ in the district.
