

Student Opinions Survey

By: Hannah Landrigan

I asked...

“Please detail below any concerns/questions/issues/suggestions you have pertaining to school that you would like reviewed by the school board.”

I visited...

Every advisory class over the course of a month explaining what the school board is and why this survey is important. I gave them time to complete their survey making sure it was thoughtful.

Common Theme

We don't feel like we have a say in things that affect us day in and day out. Education is for the students, so why don't students have a say in education.

Open Campus

45.7%

...

Open Campus

- With restrictions such as:
 - Only upperclassman
 - Grades
 - Food places very near
 - Was at the old high school-why not now?
- 

Advisory Changes

20.8%

...

Advisory Changes

Please keep in mind this survey was done before they changed advisory to being credited. I cannot speak to these results still being true / if they would still prefer this to credited advisory.

- No Advisory - 75%
 - Students who said to take it away would be okay with longer class times or longer lunch
- Change Advisory to before lunch
- Make advisory a life skills class
- Bring Rewards Back

Lunch Changes

9.2%

...

Lunch Changes

- More food options
 - Longer lunch
 - More breakfast options
 - More reduced lunch options
- 

Classroom Changes

5.6%

...

Classroom Changes

- ◆ Foreign language
- ◆ State testing communication/preparation
- ◆ Grading systems
- ◆ Relevancy & speed of learning

Your audience will listen to you or read the content, but won't do both.
