

Main theme: People don't feel like they are being heard/things aren't being changed that they want changed

Breakdown of Topics

Open Campus

- With restrictions such as:
 - Only upperclassman
 - Grades
- Food places very near
- Was at the old high school-why not now?

Advisory Change

- No Advisory - 75%
 - Students who said to take it away would be okay with longer class times or longer lunch
- Change Advisory to before lunch
- Make advisory a life skills class
- Bring Rewards Back

Bullying

- Cyberbullying
- Bullying at school
- Not telling kids to grow thicker skin
- When people are told not to bully it becomes a joke and becomes worse

Classroom Changes

- Two classes during one period needs to not happen as one class is being neglected
- People think homework is unnecessary; they would rather spend more time doing it in class
- Better spanish program
- More notice on state testing
- Core 24 concerns (?)
- Grading Systems
 - Not all the same; confusing for students who have to juggle different ones
 - Students like some better than others
- Teachers who listen to students' opinions
- More tutoring opportunities
- WA State History Credit (?)
- Longer time to learn things; students feel rushed
- Learn useful things; students feel what they're learning isn't relevant

School Times

- Start school later so kids can get more sleep, with sports and after school activities kids aren't getting enough sleep and coming to school unprepared
- 4 longer school days then 3 day weekend (1)
- Start school earlier and get out earlier (1)

More Class Options like:

- Programming
- Computer Arts
