

Woodland School District:

Agenda Item: Lunch Prices SY 18-19

Recommendations: The Board of Directors to approve meal prices for the 2018-2019 school year as follows:

Lunch:

Primary Schools: \$2.45, Middle School: \$2.75, High School: \$2.90

Background:

Current Lunch Meal Prices:

Primary Schools: \$2.40, Middle School: \$2.70, High School: \$2.85, Adult: \$3.75 (stays the same)

Student Lunch Prices:

The United States Department of Agriculture (USDA) requires all local education agencies (LEA) to calculate their weighted average paid lunch price using the Paid Lunch Equity (PLE) Tool. If the weighted average paid lunch price for 2018-19 is at least \$2.90, then no further action is required. All LEAs must keep a copy of their PLE calculations (either electronic or paper) on file. Ensuring that all LEAs have made this calculation will be part of administrative reviews conducted by OSPI.

If the weighted average paid lunch price is less than \$2.90, then there are three options to meet the PLE requirement:

Increase the price charged for paid lunches - this is the option we are using.

Contribute non-Federal funds to the food service account.

Choose a combination of increasing paid lunch prices and contributing non-Federal funds.

Using the PLE Tool:
