PULLMAN SCHOOL DISTRICT 267

BASED ON 2017-2018 DATA

*Ensuring Learning While Challenging and Supporting Each Student to Achieve Full Potential*

## WELCOME TO PULLMAN!

### A Message from the Superintendent

The Pullman School District is pleased to provide students, parents, and community members this descriptive performance report outlining the great successes and ongoing challenges of the District's schools. The following document provides goals, plans, testing information and other indicators of student learning and district improvement status. In partnership with parents and the community, the schools foster high academic progress and achievement for all learners, including those with diverse learning needs and capabilities. The District strives to be a community of learners that includes students and employees and is based on trust and compassion as well as high expectations. The quality of the Pullman schools, students, and employees are a source of pride for the entire community. The District offers a range of extracurricular activities and athletics that give students the chance to experience, apply, and extend their learning. The schools continually work to enhance all programs in order to help students meet the challenges of a changing world. The schools are committed to the goal that each student will acquire the knowledge, skills, and disposition to become a participating and contributing citizen. I want to thank the community for the support that it generously provides and is needed to maintain high quality schools. Pullman Public Schools are committed to being good stewards of the resources made available to us though the State and by the local community. We work to use those resources efficiently and effectively to provide learning opportunities for students. I encourage and extend an invitation to all community members to become involved in "your" schools. Please feel free to call your child's school office or any of the schools where you believe you are able to serve and help the children of the Pullman School District. We welcome your assistance recognizing that our success with all children and youth depends upon the combined efforts of the schools, parents, and the larger community.

# Resources

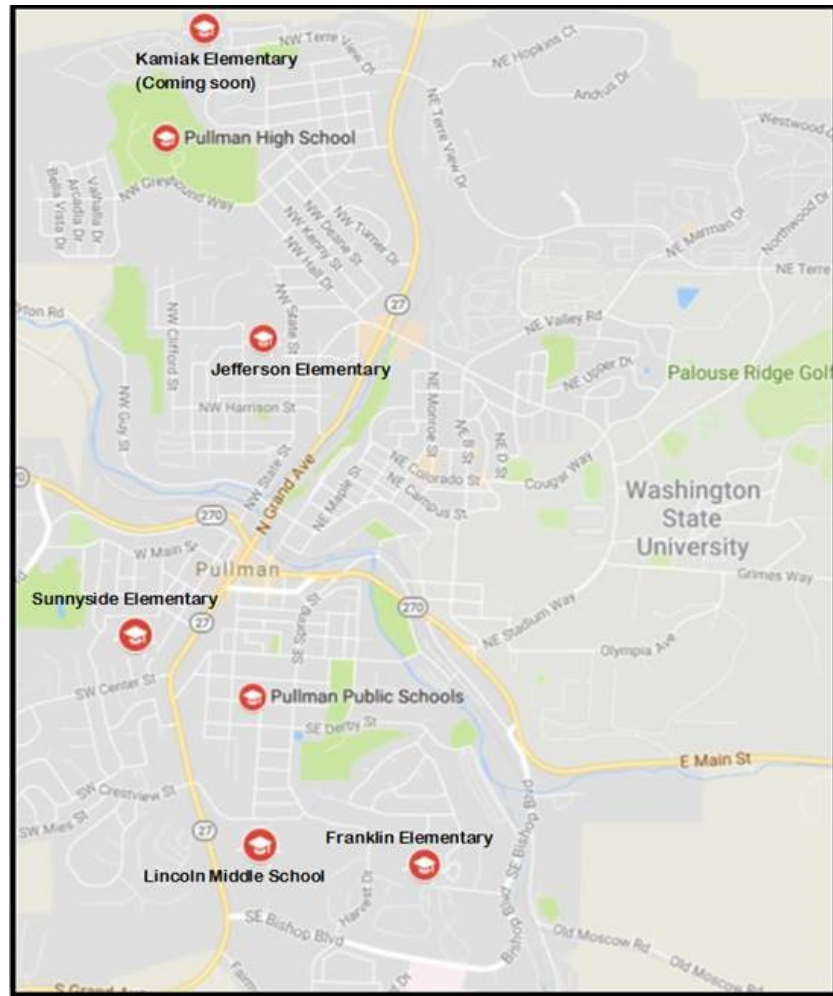

## Employment Opportunities

The Pullman School is committed to hiring the most highly qualified staff to serve the students of Pullman. The District will actively see applicants who best meet the needs of the district including needs relating to affirmative action. Employment opportunities are advertised in local newspapers and on the district's website, [www.pullmanschools.org](http://www.pullmanschools.org). If you are interested in employment with the Pullman School District, please write a letter of interest and clearly identify the following:

- Position of your interest;
- Name, permanent address, phone number, email address;
- Areas of certification and endorsement; and
- Areas of experience.

These letters will be kept on file for one year. During that time, if a position in your area becomes available, you will be notified by postcard or email.

Please mail your letter to our Human Resources Manager at 240 SE Dexter Street, Pullman WA 99163.

## Volunteer Opportunities

Each of our schools has needs and opportunities for individuals interested in volunteering. Examples of ways that volunteers may assist are: helping in the classroom, tutoring, clerical help, sharing special talents or resources, reading to students, mentoring or judging senior projects, and assisting in special programs or activities. For more information contact any school building office or the Personnel Office at (509) 332-3584.
