~~(3) If a child required to attend public school under subsection (1) of this section has seven unexcused absences in a month or ten unexcused absences in a school year, the school district shall file a petition for civil action as provided in RCW 28A.225.035 against the parent of the child.~~

This section only applies to six or seven year old children whose parents enroll them full time in public school and do not formally remove them from enrollment as provided in subsection (1) of this section.~~

~~Conferences to identify barriers to child's school attendance of Elementary Students (RCW 28A.225.018):~~

~~1. (1) Except as provided in subsection (2) of this section, in the event that a child in elementary school is required to attend school under RCW 28A.225.010 or 28A.225.015 (1) and has five or more excused absences in a single month during the current school year, or ten or more excused absences in the current school year, the school district shall schedule a conference or conferences with the parent and child at a time reasonably convenient for all persons included for the purpose of identifying the barriers to the child's regular attendance, and the supports and resources that may be made available to the family so that the child is able to regularly attend school. If a regularly scheduled parent teacher conference day is to take place within thirty days of the absences, the school district may schedule this conference on that day. To satisfy the requirements of this section, the conference must include at least one school district employee such as a nurse, counselor, social worker, teacher, or community human services provider, except in those instances regarding the attendance of a child who has an individualized education program or a plan developed under section 504 of the rehabilitation act of 1973, in which case the reconvening of the team that created the program or plan is required.~~

~~(2) A conference pursuant to subsection (1) of this section is not required in the event of excused absences for which prior notice has been given to the school or a doctor's note has been provided and an academic plan is put in place so that the child does not fall behind.~~

~~School's duties upon child's failure to attend school (RCW 28A.225.020):~~

~~(1) If a child required to attend school under RCW 28A.225.010 fails to attend school without valid justification, the public school in which the child is enrolled shall:~~

~~(a) Inform the child's parent by a notice in writing or by telephone whenever the child has failed to attend school after one unexcused absence within any month during the current school year. School officials shall inform the parent of the potential consequences of additional unexcused absences. If the parent is not fluent in English, the school must make reasonable efforts to provide this information in a language in which the parent is fluent;~~

~~(b) Schedule a conference or conferences with the parent and child at a time reasonably convenient for all persons included for the purpose of analyzing the causes of the child's absences after three unexcused absences within any month during the current school year. If a regularly scheduled parent teacher conference day is to take place within thirty days of the third unexcused absence, then the school district may schedule this conference on that day. If the child's parent does not attend the scheduled conference, the conference may be conducted with the student and school official. However, the parent shall be notified of the steps to be taken to eliminate or reduce the child's absence; and~~

~~(c) At some point after the second and before the fifth unexcused absence, take data-informed steps to eliminate or reduce the child's absences.~~

~~(i) In middle school and high school, these steps must include application of the Washington assessment of the risks and needs of students (WARNS) or other assessment by a school district's designee under RCW 28A.225.026.~~

~~I. (ii) For any child with an existing individualized education plan or 504 plan, these steps must include the convening of the child's individualized education plan or 504 plan team, including a behavior specialist or mental health specialist where appropriate, to consider the reasons for the absences. If necessary, and if consent from the parent is given, a functional behavior assessment to explore the function of the absence behavior shall be conducted and a detailed behavior plan completed. Time should be allowed for the behavior plan to be initiated and data tracked to determine progress.~~

~~(iii) With respect to any child, without an existing individualized education plan or 504 plan, reasonably believed to have a mental or physical disability or impairment, these steps must include informing the child's parent of the right to obtain an appropriate evaluation at no cost to the parent to determine whether the child has a disability or impairment and needs accommodations, related services, or special education services. This includes children with suspected emotional or behavioral disabilities as defined in WAC 392-172A-01035. If the school obtains consent to conduct an evaluation, time should be allowed for the evaluation to be completed, and if the child is found to be eligible for special education services, accommodations, or related services, a plan developed to address the child's needs.~~

~~I. (iv) These steps must include, where appropriate, providing an available approved best practice or research-based intervention, or both, consistent with the WARNS profile or other assessment, if an assessment was applied, adjusting the child's school program or school or course assignment, providing more individualized or remedial instruction, providing appropriate vocational courses or work experience, referring the child to a community truancy board, requiring the child to attend an alternative school or program, or assisting the parent or child to obtain supplementary services that might eliminate or ameliorate the cause or causes for the absence from school.~~

~~(2) For purposes of this chapter, an "unexcused absence" means that a child:~~

~~(a)(i) Has failed to attend the majority of hours or periods in an average school day or has failed to comply with a more restrictive school district policy; and~~

~~(ii) Has failed to meet the school district's policy for excused absences; or~~

~~(b) Has failed to comply with alternative learning experience program attendance requirements as described by the superintendent of public instruction.~~

~~(3) If a child transfers from one school district to another during the school year, the receiving school or school district shall include the unexcused absences accumulated at the previous school or from the previous school district for purposes of this section, RCW 28A.225.030, and 28A.225.015. The sending school district shall provide this information to the receiving school, together with a copy of any previous assessment as required under subsection (1)(c) of this section, history of any best practices or researched-based intervention previously provided to the child by the child's sending school district, and a copy of the most recent truancy information including any online or written acknowledgment by the parent and child, as provided for in RCW 28A.225.005. All school districts must use the standard choice transfer form for releasing a student to a nonresident school district for the purposes of accessing an alternative learning experience program.~~

Excused and Unexcused Absences (WAC 392-400-325)

~~Educators and administrators have a responsibility to monitor absences to determine if students and families need support. Students are expected to attend all assigned in-person classes each day or participate in all assigned remote instructional activities. Upon enrollment and at the beginning of each school year, the district shall inform students and their parents/guardians of this expectation, the benefits of regular school attendance, the consequences of truancy, the role and responsibility of the district in regard to truancy, and resources available to assist the student and their parents and guardians in correcting truancy. The district will also make this information available online and will take reasonable steps to ensure parents can request and receive such information in languages in which they are fluent. Parents will be required to date and acknowledge review of this information online or in writing.~~

Excused Absences

Regular school attendance is necessary for mastery of the educational program provided to students of the district. At times, students may be absent from class or not able to participate remotely. School staff will keep a record of absence and tardiness, including a record of excuse statements submitted by a parent/guardian, or in certain cases, students, to document a student's excused absences. The principal (or designee) will require Districts may define additional documentation after the ninth overall absence to support her/his decision. Such documentation may include, but not be limited to: Licensed Health Practitioner's note, pre-arranged absence form, summons/subpoena/notice to appear. categories or criteria for excused absences.

~~If your student is absent more than three days in a row due to illness, a doctor's note will be required. If your student will be seen by a professional service organization, provide confirmation from that organization of the appointment (including the time of the appointment). If you know in advance that your child will be absent obtain a "pre-arranged absence" form from your child's school, to be turned in prior to the absence(s). All forms are available at your child's school or on our website for compliance.~~

B.2. _____ An excused absence will be verified by a parent/guardian or an adult, emancipated or appropriately aged student, or school authority responsible for the absence. If attendance is taken electronically, either for a course conducted online or for students physically within the district, an absence will default to unexcused until such time as an excused absence may be verified by a parent or other responsible adult. ~~Absences that are not verified within three days of a student's return to school will be considered unexcused.~~ If a student is to be released for health care related to family planning or abortion, the student may require that the district keep the information confidential. Students thirteen and older have the right to keep information about drug, alcohol or mental health treatment confidential. Students fourteen and older have the same confidentiality rights regarding HIV and sexually transmitted diseases.

3. Except as provided in subsection (2) of this section, in the event that a child in elementary school is required to attend school under RCW 28A.225.010 or

28A.225.015(1) and has five or more excused absences in a single month during the current school year, or ten or more excused absences in the current school year, the school district shall schedule a conference or conferences with the parent and child at a time reasonably convenient for all persons included for the purpose of identifying the barriers to the child's regular attendance, and the supports and resources that may be made available to the family so that the child is able to regularly attend school. To satisfy the requirements of this section, the conference must include at least one school district employee such as a nurse, counselor, social worker, teacher, or community human services provider, except in those instances regarding the attendance of a child who has an individualized education program or a plan developed under section 504 of the rehabilitation act of 1973, in which case the reconvening of the team that created the program or plan is required.

This conference is not required if the school has received prior notice or a doctor's note has been provided and an academic plan put in place so that the child does not fall behind.

Unexcused Absences

A-1. Any absence from school for the majority of hours or periods in an average school day is unexcused unless it meets one of the criteria above for an excused absence.

-

B-2. As a means of instilling values of responsibility and personal accountability, a student whose absence is not excused will experience the consequences of his/her absence. A student's grade may be affected if a graded activity or assignment occurs during the period of time when the student is absent.-

3. The school will notify a student's parent or guardian in writing or by telephone whenever the student has failed to attend school after one unexcused absence within any month during the current school year. The notification will include the potential consequences of additional unexcused absences. The school will make reasonable efforts to provide this information in a language the parent understands.

4. The school will hold a conference with the parent or guardian after three unexcused absences within any month during the current school year. The conference will analyze the causes of the student's absences and develop a plan that identifies student, school, and family commitments to reduce the student's absences from school. If the parent does not attend the conference, the school official may still hold the conference with the student. However, the school will notify the parent of the steps the district has decided to take to eliminate or reduce the student's absences.

5. Between the student's second and fifth unexcused absence, the school must take the following data-informed steps:

I. Middle and high school students will be administered the Washington Assessment of the Risks and Needs of Students (WARNS) or other assessment

II. These steps must include, where appropriate, providing an available approved best practice or research-based intervention, or both, consistent with the WARNS profile or other assessment, if an assessment was applied, adjusting the child's school program or school or course assignment, providing more individualized or remedial instruction, providing appropriate vocational courses or work experience, referring the child to a community truancy board, requiring the child to attend an alternative school or program, or assisting the parent or child to obtain supplementary services that might eliminate or ameliorate the cause or causes for the absence from school.

III. For any child with an existing individualized education plan or 504 plan, these steps must include the convening of the child's individualized education plan or 504 plan team,

including a behavior specialist or mental health specialist where appropriate, to consider the reasons for the absences. If necessary, and if consent from the parent is given, a functional behavior assessment to explore the function of the absence behavior shall be conducted and a detailed behavior plan completed. Time should be allowed for the behavior plan to be initiated and data tracked to determine progress.

Not later than the student's fifth unexcused absence in a month the district will enter into an agreement with the student and parents that establishes school attendance requirements, refer the student to a community truancy board or file a petition and affidavit with the juvenile court alleging a violation of RCW 28A.225.010.

6. If such action is not successful, the district will file a petition and affidavit with the juvenile court alleging a violation of RCW 28A.225.010 by the parent, student or parent and student no later than the seventh unexcused absence within any month during the current school year or upon the tenth unexcused absence during the current school year.

The superintendent will enforce the district's attendance policies and procedures. Because the full knowledge and cooperation of students and parents are necessary for the success of the policies and procedures, procedures will be disseminated broadly and made available to parents and students annually.

Unexcused absences from remote learning.

Absences from remote learning must be marked as a "nontruancy remote learning absence" until October 4, 2020. Such absences shall not be marked as excused or unexcused. Beginning October 5, 2020, any absence from remote learning is unexcused unless it meets one of the criteria in WAC 392-401A-020.

Tardies and Disciplinary Actions

1. Students shall not be absent if:

- a. They have been suspended, expelled, or emergency expelled pursuant to chapter 392-400 WAC;
- b. Are receiving educational services as required by RCW 28A.600.015 and chapter 392-400 WAC; and
- c. The student is enrolled in qualifying "course of study" activities as defined in WAC 392-121-107.

2. A full day absence is when a student is absent for fifty percent or more of their scheduled day.

3. A school or district shall not convert or combine tardies into absences that contribute to a truancy petition.

A student shall be considered absent if they are on school grounds but not in their assigned setting.

Tiered response system for student absences

WAC 392-401A-045 states:

School districts must implement a tiered response system to reduce chronic absenteeism and address barriers to student engagement in learning during the COVID epidemic. Tiered response systems under this section must include:

(a) Monitoring daily attendance data for all students who are absent from remote learning, whether excused or unexcused;

- (b) A process to contact families and verify current contact information for each enrolled student that includes multiple attempts and modalities in the parent's home language;
- (c) Daily notification of absences to parents;
- (d) A process for outreach from the school to determine student needs, such as basic needs, connectivity and hardware, connection with health and social services as necessary;
- (e) Differentiated supports that address the barriers to attendance and participation that includes universal supports for all students and tiered interventions for students at-risk of and experiencing chronic absence; and
- (f) When feasible and appropriate, transitioning the students to full-time in-person learning or other program to accommodate the student's needs.

Information for

Migrant Students and Parents (RCW 28A.225.005(1)):

~~Each school within the school district shall inform the students and the parents of the students enrolled in the school about: The benefits of regular school attendance; the potential effects of excessive absenteeism, whether excused or unexcused, on academic achievement, and graduation and dropout rates; the school's expectations of the parents and guardians to ensure regular school attendance by the child; the resources available to assist the child and the parents and guardians; the role and responsibilities of the school; and the consequences of truancy, including the compulsory education requirements under this chapter. The school shall provide access to the information before or at the time of enrollment of the child at a new school and at the beginning of each school year. If the school regularly and ordinarily communicates most other information to parents online, providing online access to the information required by this section satisfies the requirements of this section unless a parent or guardian specifically requests information to be provided in written form. Reasonable efforts must be made to enable parents to request and receive the information in a language in which they are fluent. A parent must date and acknowledge review of this information online or in writing before or at the time of enrollment of the child at a new school and at the beginning of each school year.~~

The district, parent/guardian and student are encouraged to work to create an Extended Absence Agreement with the school to decrease the risk of an adverse effect on the student's educational progress.
