REGULATION OF DANGEROUS WEAPONS ON SCHOOL PREMISES

Unless authorized by this policy, it is a violation of district policy for any person to knowingly carry a firearm or dangerous weapon on school premises, school-provided transportation, areas of other facilities being used exclusively for school activities, or areas of facilities being used for official meetings of the school board. The term "school premises", includes property, or portions(s) of property, owned, rented or leased by the District when the property, or portions(s) of property, is being used exclusively for school district activities.

The District superintendent is directed to see that all school facilities post "Gun-Free Zone" signs and that all violations of this policy and <u>RCW 9.41.280</u> are reported annually to the Office of the Superintendent of Public Instruction. - 2.
