

**WOODLAND
Public Schools**

To: Woodland Public Schools Board of Directors
From: Michael Green
Date: May 15, 2023
Regarding: Recommendation for Non-renewal of Provisional Employees

Woodland Public Schools is in the unfortunate position of having to reduce personnel as a result of the failure of the voters to support the renewal of the expiring Educational Program and Operations Levy. We must reduce our expenditures by \$3,000,000 for the 2023-2024 school year budget and the same, and possibly more, from the 2024-2025 school year budget.

Because approximately 85% of the school district expenditures are for salaries and benefits, lowering our staffing levels is the only way to close the budget hole.

Because of the anticipated financial exigency, I am recommending the non-renewal of the provisional teaching contracts for the following employees:

- Juan Brassel - Columbia Elementary School Dual Language
- Preston Brooks - Woodland Middle School Social Studies
- Erynne Cushing - TEAM High School
- Heidi Kleser - North Fork Elementary School
- Danielle Przedwojewski - Woodland Middle School Science
