- ~~A. Preparing for instruction of classes;~~
- ~~B. Consulting with students when necessary;~~
- ~~C. Consulting with parents when it is not possible for the parent to meet with the teacher during building hours;~~
- ~~D. Participating on curriculum development committees leading towards the improvement of the educational program;~~
- ~~E. Attending staff meetings including inservice training provided by the district in the area of teaching skills needing improvement;~~
- ~~F. Supervising and directing cocurricular activities not specifically included in the district's cocurricular program; and,~~
- ~~G. Participating in such other activities that pertain to the district's educational program.~~

~~A classified hourly staff member shall be paid at the rate of one and onehalf times the salary schedule rate when he/she works for more than 40 hours during the regular work week. The regular work day shall include one 15 minute break for each four hours of work. A lunch period not to exceed one hour shall be scheduled but shall not be counted for pay purposes. The district shall be responsible for establishing the work day schedule for each classified staff member.~~

~~In the event a supervisor requests that a staff member work beyond the specified working hours and thus exceeds the 40 hours during the established work week, the district may grant, at the staff member's request, compensating time off in lieu of overtime pay. A staff member may accumulate up to 240 hours of compensating time. When the staff member reaches the 240hour limit, he/she must either take compensating time off or receive pay for such excess hours.~~

~~Custodial/maintenance and office staff shall report for work when schools are closed for bad weather unless excused by the superintendent or designee.~~
