EXHIBIT A
TERMS FOR SERVICES PROVIDED

1. Purpose.

- 1.1** ESD112 and the District are entering into this Agreement for the purpose of providing the District with cooperative data processing services, software, and support services, as set forth in Exhibit C to this agreement (“Services”) and as mutually deemed acceptable to the District and ESD112. Service shall be delivered through the Southwest Washington Regional Service Center (SWRSC) in partnership with ESD 105, ESD 171 (GCRISC) and other authorized partners.
- 1.2** The provision of educational, instructional or specialized services in accordance with this Agreement are intended to improve student learning or achievement.

2. Term.

- 2.1 Initial Term.** The Initial Term for the Agreement shall be from September 1, 2026, to August 31, 2027.
- 2.2 Renewal Term.** This Agreement shall automatically be renewed for an additional one-year term (the Renewal Term) through August 31, 2031, unless either party to the Agreement notifies the other party in writing prior to May 1st that it is not renewing the Agreement. The party that fails to provide written notice before May 1st shall be required to pay damages in accordance with Section 4 of Exhibit B. Changes to services ESD112 is obligated to provide or fees the District is obligated to pay shall be addressed as amendments (Exhibit B, Section 3) to this Agreement.

3. Finance, Budget and Property.

- 3.1 Agreement Amount.** The District shall pay ESD112 monthly based on 1251 FTE enrollment report for services provided under this Agreement as described in Section 1.1 above and Section 4 below.
- 3.2 Invoicing.** ESD112 shall invoice the District in twelve (12) installments. Invoices shall be paid within thirty (30) days of receipt.
- 3.2.1** Fees shall be based on the District’s current year average annual full-time equivalent (“AAFTE”) student enrollment and the monthly invoices shall use the reported AAFTE from the 1251 FTE Report. The final invoice sent in August will reflect the actual AAFTE for the completed school year. If the AAFTE is less than 275, then fees shall be based upon “Minimum for districts under 275 AAFTE” as set forth in Exhibit C “Member Service Options”.
- 3.2.2** In each annual billing cycle, the District’s first monthly payment is due October 31 of each year and the last monthly payment is due August 31. The final adjustment to AAFTE for the fiscal year shall be completed with the August invoice.
- 3.3 Budget.** A separate budget for services under this Agreement is not necessary and therefore is not being prepared. Expenses and revenues shall be addressed in the District’s and ESD112’s budget.

3.4 Property. All personal property and assets acquired or received in connection with the obligations under this Agreement, including but not limited to equipment, materials, supplies, and funds, shall be owned and retained by ESD112, both during the term of this Agreement and after the Agreement is terminated, partially or completely. Real property shall not be acquired.

4. Scope of Services and Parties' Obligations. The Parties agree to fulfill the following obligations for delivery of services under this Agreement:

4.1 Responsibilities of ESD112. ESD112 shall provide computer processing support services, software support, and product coordination services to the District as set forth in Exhibit C and D, collectively referred to as "Services". Services and the corresponding fees for services are subject to change annually, provided that the District and the Executive Advisory Committee is given notice of such annual change at least sixty (60) days prior to its effective date.

4.1.1 Support. ESD112 shall provide direct support to designated District staff. Support will be categorized by Tiers. If a Tier cannot resolve an incident, it is escalated until it is resolved. Incidents will be reported to ESD112 using a web-based service tracking system. However, to expedite critical incidents, District may also use phone, email or other means of communication to increase the visibility of issue to ESD112. Normal hours of operation are Monday–Friday, 8:00 am–4:30 pm.

4.1.1.1 Tier I Support. The District shall be responsible for Tier I support. The District shall attempt to make initial remedy of incidents. If the issue cannot be resolved, designated District staff shall contact ESD112 for Tier II support.

4.1.1.2 Tier II Support. ESD112 shall provide Tier II support and shall perform analysis and investigate the cause and, if possible, provide the District the remedy for an incident. If the incident cannot be resolved by Tier II support, ESD112 shall contact Washington School Information Processing Cooperative, or "WSIPC", for Tier III support.

4.1.1.3 Tier III Support. WSIPC is the final escalation of issues and incidents that impact District usage of Software. The Tier III role is performed by WSIPC and external vendors, including analysis and investigation of application incidents, and infrastructure troubleshooting. Resolution might include defect correction, data manipulation, program analysis, and hardware replacement.

4.1.2 Performance Standards. Service incidents received from the District are assigned a severity level depending on the nature of the issue and its impact on the District. An initial severity level is assigned to each incident when it is received. Severity levels are defined as:

4.1.2.1 Critical. A Critical Severity level is assigned to an incident that has one or more of the following conditions: (a) production has stopped, (b) the District cannot continue work, (c) data is corrupt, (d) financial controls are impaired, (e) or system security has been

compromised. Initial response time for a Critical Severity level issue received during normal working hours is thirty minutes. After normal working hours response time will be longer because there is no telephone or email coverage during these hours.

4.1.2.2 High. A High Severity level is assigned to an incident that has one or more of the following conditions: (a) productivity is significantly impaired but is proceeding, (b) a work stoppage may occur if the incident is not resolved quickly, (c) the incident affects, or is of concern to, a majority of school districts in the region (or state), (d) the incident may cause a security problem if not resolved quickly, (e) or private information may be disclosed if the incident is not resolved quickly. Initial response time for a High Severity level issue received during normal working hours is two hours. After normal working hours response time will be longer because there is no telephone or email coverage during these hours.

4.1.2.3 Normal. A Normal Severity level incident only modestly reduces productivity.

4.1.2.4 Resolution of Issues. ESD112 and WSIPC will work diligently to resolve all Critical and High Severity incidents. Due to the complexity of certain incidents, a formal guarantee of resolution cannot be provided. ESD112 and WSIPC shall work extended hours to resolve a Critical Severity level incident.

4.1.2.5 Extended work hours **require** the District who originated the incident to remain available and participate in resolution of the incident.

4.1.3 Confidentiality of Data. All materials furnished to ESD112 by the District pursuant to this Agreement, including but not limited to source data, computer files, reports, listings, and computer programs, shall not be disclosed to third parties except as provided herein, or as required by law, or otherwise by written consent of the District.

4.1.4 ESD112 shall invoice the District in accordance with Section 3 above.

4.2 Responsibilities of the District. The District shall:

4.2.1 Pay ESD112 the annual fee set forth in Exhibit C and in accordance with Section 3 above.

4.2.2 Be responsible for the input and management of District data into the programs supported by ESD112.

4.2.3 Provide a single point of contact for administrative authorizations (security) and software application support and shall act as the primary contact with ESD112 in matters pertaining to Services, including emergency support notifications.

4.2.4 Attempt to resolve issues related to use and support of Services. If issues cannot be resolved by District staff, it shall be escalated to ESD112 by the single point of contact assigned by the District.

- 4.2.5** Recognize that ESD112, including WSIPC and authorized partners, requires access to production and test Skyward fiscal and student databases, or any derivatives thereof, utilized by the District in order to deliver Services to the District. Therefore, the District agrees to provide full production and test database access to ESD112 personnel directly engaged in the support and delivery of Services to the District
- 4.2.6** Not disclose or make available any software or documentation associated with the Services to any parties or persons not using Services on behalf of the District. The District agrees to safeguard all proprietary materials being provided under this Agreement and shall not change, modify, or alter any software without prior written permission, nor infringe on or violate any vendor license agreement entered into on their behalf.
- 4.2.7** Negotiate with ESD112 an amount to be included in a contract addendum for any services beyond the scope of this agreement, either requested by the District or required by ESD112.
- 4.2.8** Be responsible for making reasonable accommodations for District staff, including any modifications or adjustments to a job or the work environment, that will enable an employee with a disability to participate in Services delivered or to perform essential job functions related to Services. If for any reason the District fails to provide a reasonable accommodation that is necessary for receipt of the service provided by ESD112 and ESD112 provides an accommodation, the District shall pay ESD112 for the costs ESD112 incurs to provide the accommodation.

EXHIBIT B
GENERAL TERMS & CONDITIONS

1. Authority & Organization.

- 1.1** This Agreement is entered into in accordance with the authority granted in the Interlocal Cooperation Act, RCW 39.34 (specifically 39.34.030 and 39.34.080) and provisions that authorize educational service districts and school districts to contract with each other for services, specifically 28A.310.010, 28A.310.180, 28A.310.200, 28A.320.080 and 28A.320.035.
- 1.2** A separate legal entity is not being created. ESD112 shall administer the joint undertaking described in the terms of this Agreement.

2. General Responsibilities of the Parties. ESD112 and the District shall:

- 2.1** Conduct background checks on any officials, employees, volunteers or agents who may perform obligations under this Agreement and who may have contact with children in a public school or ESD112 facility. No party/person who has plead guilty to, or been convicted of, a felony crime specified in RCW 28A.400.322 shall be allowed to do work under this Agreement if they may have contact with children in a public school or ESD112 facility. Failure to comply with this provision is grounds for immediate termination of the Agreement.
- 2.2** Comply with federal, state, and local laws in performing obligations under this Agreement, and any policies or regulations adopted by the Parties' respective boards of directors.
- 2.3** Provide and maintain general liability coverage, including but not limited to bodily injury, property damage liability, contractual liability coverage, and automobile coverage. The insurance required hereunder shall have a single limit liability in an amount not less than \$1,000,000 per occurrence and general aggregate liability of not less than \$3,000,000. The District's insurance shall provide Primary and Non-Contributing coverage. The Parties shall, upon request, provide each other suitable evidence of the coverage required. The Parties agree there shall be no cancellation, material change, or reduction of limits or non-renewal of the insurance coverage required by this Agreement without thirty (30) days written notice.
- 2.4** Obtain any licenses or permits required to perform their respective obligations under this Agreement.
- 2.5** Maintain books, records, documents, data and other materials compiled and related to the performance of obligations under this Agreement for the time period required under law or any applicable grant agreement. Both Parties agree to provide access to and copies of any such books, records, documents, data or other materials to the other party upon request.
- 2.6** Take all necessary steps to protect the confidentiality of educational records and shall not disclose such records or the information obtained from having access to such records without obtaining the consent of the other party and the parent of the student whom the record pertains to.

3. **Amendment.** Changes to services ESD112 is obligated to provide or fees the District is obligated to pay shall be addressed in signed amendments to this Agreement, provided forty-five (45) days before the amendment is to take effect, unless otherwise mutually agreed.
4. **Termination and Damages for Termination with Inadequate Notice.**
 - 4.1 **Mutual Termination.** This Agreement may be terminated by mutual agreement by the Parties.
 - 4.2 **Damages Paid by the District.** If the District fails to notify ESD112 that it is terminating this Agreement prior to the Renewal Term (see Exhibit A, Section 2.2) and this Agreement is for services that are provided by ESD112 employees who do not have a certificated contract with ESD112, the damages ESD112 shall incur may be less than the fee the District would have paid to receive the services for the Renewal Term. In that case, the District shall pay ESD112 for damages ESD112 incurs as a direct or indirect result of not being notified by the Renewal Term that the District is terminating the Agreement.
 - 4.3 **Damages Paid by ESD112.** If ESD112 fails to notify the District that it is terminating this Agreement prior to the Renewal Term of (see Exhibit A, Section 2.2), ESD112 shall pay the District the costs the District incurs to obtain the services ESD112 was obligated to provide from a third party, but only to the extent the costs exceed what the District would have paid ESD112, and the fees the District pays the third party must be based on reasonable market rates.
 - 4.4 **Payment.** The damages that are owed under this section shall be paid in full within thirty (30) days of receipt of an invoice. This requirement shall survive termination of the Agreement.
5. **General Provisions.**
 - 5.1 **Assignment.** Neither this Agreement nor any interest therein may be assigned by either party without the prior written consent of the other party.
 - 5.2 **Attorneys' Fees and Costs.** In the event litigation arises out of this Agreement, each party shall bear its own attorney's fees and costs.
 - 5.3 **Authority.** The terms and conditions of this Agreement to which the Parties agree are being entered into by appropriate resolutions or delegation of authority by the respective boards of directors of ESD112 and the District.
 - 5.4 **Captions.** Paragraph headings have been included for the convenience of the Parties and shall not be considered a part of this Agreement for any purpose relating to construction or interpretation of the terms of this Agreement.
 - 5.5 **Compliance Orders.** ESD112 shall deliver services in compliance with all applicable federal, state, and local laws, regulations, and binding public health orders in effect at the time services are performed. Advisory guidance issued by the CDC, Washington State Department of Health, or OSPI may be considered where applicable but shall not, by itself, modify contractual obligations unless incorporated by written amendment.
 - 5.6 **Conflict of Interest.** No person engaged in any activity associated with this Agreement has a personal financial interest, direct or indirect, in this Agreement. ESD112 and the District warrant that neither party presently has interests, and

will not acquire interests, directly or indirectly, which would create a conflict of interest in performing the obligations under this Agreement. Any direct or indirect conflict of interest must be disclosed.

- 5.7 Data Security and Data Breach Notification.** Each Party agrees to implement and maintain reasonable administrative, technical, and physical safeguards to protect any confidential, personally identifiable, or otherwise legally protected data obtained, accessed, or generated in connection with this Agreement (“Protected Data”) from unauthorized access, disclosure, modification, or destruction, and to comply with all applicable federal and state data privacy and security laws, including chapter 19.255 RCW. Protected Data shall be used solely for purposes of performing obligations under this Agreement and shall not be disclosed or used for any other purpose except as permitted or required by law.
- 5.7.1** If, and only to the extent that, performance of this Agreement involves student education records or other student personally identifiable information (“Student Data”), each Party shall comply with the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, and applicable state law, and shall use Student Data only as permitted under FERPA or as otherwise required by law.
- 5.7.2** In the event either Party becomes aware of a suspected or confirmed unauthorized access, disclosure, or breach of Protected Data (including Student Data, if applicable) related to this Agreement, that Party shall notify the other Party without unreasonable delay and, in no event, later than five (5) business days after discovery, unless a shorter period is required by law or notification would impede a law enforcement investigation.
- 5.7.3** Notice shall include, to the extent known: a general description of the incident, the categories of data affected, the estimated date or date range of the incident, and a summary of corrective actions taken or planned. Each party is responsible for costs and obligations arising from its own failure to comply with this section or applicable law.
- 5.8 Force Majeure.** ESD112 and the District shall not be liable for any failure to perform its obligations in this Agreement, and shall not be liable for the damages in Section 4 above, if the failure to perform or action that gave rise to damages is a result of any act of God, riot, war, civil unrest, flood, earthquake, or other cause beyond such party’s reasonable control, such as changes to federal, state or local laws, but excluding failure caused by a party’s financial condition or negligence.
- 5.9 Governing Law and Venue.** This Agreement shall be governed by the laws of the State of Washington and any action or litigation undertaken to enforce the terms of this Agreement shall be conducted in Clark County, Washington.
- 5.10 Indemnification.** Both Parties agree to defend, indemnify and hold harmless the other party, and its employees, officers, board of directors, and agents from any and all actual or threatened claims, actions, damages, liability, losses, and expense, except to the extent caused by the sole or gross negligence of the indemnifying party, or the indemnifying party’s employees’, officers’, board of directors’, and agents’.

- 5.11 Intellectual Property.** Any materials ESD112 produces shall be owned by ESD112. ESD112 shall be considered the author of such materials. To the extent materials being produced in connection with this Agreement are found to be “works for hire”, the District hereby irrevocably assigns all right, title and interest in such materials, including intellectual property rights, to ESD112 effective from the moment of creation. The District shall not use any materials produced for, or by, ESD112 in connection with this Agreement without obtaining ESD112’s prior written consent.
- 5.12 Non- Discrimination.** Per requirements of state, local and federal laws, ESD112 and the District are prohibited from discriminating on the basis of race, color, religion (creed), national origin (ancestry), age, sex, gender expression or identity, sexual orientation, honorably discharged veteran or military status, national guard or uniformed service status, marital status, family/parental status, use of a trained guide dog or service animal. Inquiries regarding compliance and/or grievance procedures for ESD112 may be directed to ESD112 at its address above.
- 5.13 Notice.** Notice may be provided by electronic mail with read receipt or certified US mail and shall be deemed effective upon actual receipt to the signature authority listed in Exhibit A.
- 5.14 Severability.** If any term of condition of this Agreement or application thereof to any person or circumstance is held invalid, such invalidity shall not affect other terms, conditions, or applications of this Agreement which can be given effect without the invalid term, condition, or application and, to this end, the terms and conditions of this Agreement are declared severable.
- 5.15 Waiver.** No provision of this Agreement, or the right to receive reasonable performance of any act called for by its terms, including but not limited to the right of a performing party to notify a non-performing party there has been a unilateral early termination, shall be deemed waived by a party’s failure to enforce the provision or rights to performance in a particular transaction or occurrence. Any and all waivers shall be in writing and signed by the party waiving the provision or its rights to performance. Any waiver that is not in writing shall not be binding or effective.
- 5.16 Whole Agreement.** The Parties agree that this Agreement, together with all appendices, if any, constitute the entire agreement between the Parties, regarding the subject matter of this Agreement, and supersedes all prior or existing written or oral agreements between the Parties and may not be amended other than in writing signed by the Parties.
- 6. Exclusion, Debarment and Suspension Certification.** Per the Executive Order 12549 and 2 CFR 200.213, the Parties certify that neither they, nor their principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions, as reflected in the System for Award Management Exclusions database (<https://sam.gov/content/exclusions>).

7. **Electronic Signatures.** The Parties consent to conduct transactions and execute this Agreement by electronic means. This Agreement may be executed in two or more counterparts, each of which when so executed shall be deemed to be an original, and all of which when taken together shall constitute one and the same instrument. The words “execution”, “signed,” “signature,” and words of like import in this Agreement shall include electronic signatures and electronic records, including images of manually executed signatures transmitted by facsimile, electronic mail, or other electronic means (including, without limitation, “pdf”, “tif” or “jpg”) and as well as electronic signature services such as DocuSign, AdobeSign, or other substantially similar technologies. Electronic signatures and electronic records shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record, to the fullest extent permitted by applicable law, including the Uniform Electronic Transactions Act (Chapter 1.80 RCW) and the Federal Electronic Signatures in Global and National Commerce Act. Each Party agrees that electronic records relating to this Agreement shall be retained in a manner that accurately reflects the information contained in the record and remains accessible and reproducible for reference by the Parties for the period required by applicable law.
