- A. The intent of this policy is to reinforce the importance of school attendance for all students.
- B. Athletes are expected to be in attendance the entire day in order to participate in athletic events. An unexcused absence from one or more periods will result in a one game suspension. It is recommended that whenever possible, absences are pre-arranged. After 3 days, an unexcused absence cannot be reversed.
- C. In the event of a late-night return on a school day from an athletic event, the coach and athletic director or district designee will determine attendance arrangements for the following school day. However, every attempt will be made to schedule games with limited travel times or to arrange long distant trips on days prior to non-school days.
- D. Students who are ineligible for attendance or academic reasons may not be allowed to travel with the team to away events.

MEDICAL CLEARANCE

When an athlete is seen by any medical services, for any injury or condition, the school will need a clearance from the medical personnel who treated the athlete. The clearance should indicate that the student is cleared for practice/competition, and that the athlete is not taking any medication that would impact their participation. If limited participation is approved, the limitations need to be specifically indicated. Any athlete suspected of sustaining a head injury must be cleared by a licensed health care provider before returning to play (HB 1824). Those licensed to perform physical examinations include a Medical Doctor (MD), Doctor of Osteopathy (DO), Advanced Registered Nurse Practitioner (ARNP), Physician's Assistant (PA), and Naturopathic Physician.

WHS ACADEMIC ELIGIBILITY

Students must have passed a minimum of five (high school) full credit classes in the grading period previous to the sport in which they plan to participate (WIAA 18.7.6). Students are also expected to maintain this standard throughout the season. Any student who does not meet this standard during pre-season grade checks or subsequent grade checks will be placed on academic suspension.

For the purpose of athletic eligibility, the grade point average (GPA) will include all classes and be calculated as follows: (A) 4.00; (A-) 3.70; (B+) 3.30; (B) 3.00; (B-) 2.70; (C+) 2.30; (C) 2.00; (C-) 1.7; (D+) 1.30; (D) 1.0; (F) 0.00; (P) not computed. Incomplete courses (I) will not be computed into the GPA. Athletes with "incompletes" will have until the end of the next quarter to complete the course and receive a grade. In courses utilizing the no "D" grading system, a percentage grade will be used. Athletes are prohibited from falling below WIAA standards at any time.

Pre-season eligibility will be determined by the following:

High School Fall Sports - previous **semester grades**

Note: Woodland High School freshmen will only be eligible for probation, not suspension for fall sports.

High School Winter Sports - **first quarter grades**

High School Spring Sports - **first semester grades**

Athletes will be checked weekly to make sure they are meeting the WIAA standard of passing 5 out of 6 classes.

Athletes on academic probation may practice and play in games. Athletes on academic suspension may participate in practice, but not compete in games. The length of the suspension will vary based on the situation:

- If a student does not pass five out of six classes at the end of a semester, they will be placed on academic suspension for the first five weeks of the succeeding semester.
 - Only for Fall Sports: Athletes with 2 or more Fs from the previous semester will be placed on academic probation through the 4th Saturday in September. If at that time they are still failing 2 or more classes, they will be on suspension for the following 3 weeks.
- If a student does not pass five out of six classes in the grading period previous to the sport in which they wish to participate (winter and spring), they will be placed on academic suspension for four weeks following the beginning of the season.
- Athletes will remain on suspension for the duration of the suspension period and until they have met standard.
- If a student is not passing five out of six classes during weekly grade checks throughout the season, they will be placed on suspension until they are passing at least 5 out of 6.

STUDENTS NEW TO THE WOODLAND SCHOOL DISTRICT, upon turning out for a sport, must meet the same academic requirements as listed above (pass five out of six classes), which will be verified by an official transcript from the transferring school. Fax verification will be acceptable academic verification.
