Re: Athletic Program for 09-10

Mr. Green, following, are recommendations to adjust to the athletic programs to meet the reduced funding for the 09-10 school year, submitted to you for approval.

1. Participation Fees:

High School - \$75.00

Middle School - \$50.00

MS & HS Jazz Band - \$25.00

Cheerleaders - \$25.00 per sport

Band – No upfront fee, band will pay for travel expense

Knowledge Bowl - No upfront fee, club will pay for travel expense

Both schools will have a form for students/parents to request a waiver of the pay to participate fee.

2. ASB Cards & Passes

MS ASB cards \$20.00 (up from \$15.00)

HS ASB cards \$25.00 (up from \$20.00)

MS cards no longer get students in free at HS events and HS cards no longer get students in free at MS events.

Senor passes \$10.00 for all year all events (up from \$1.00)

No family passes will be offered at the gate – they must be purchased in the HS office

3. "C" Teams

High School "C" teams will not be supported by the district's general fund. There are compelling reasons to support these athletes and funding will come from ASB accounts

Football – at this time most schools in our league have c teams

no additional coach needed, travel and officials will come from ASB

Volleyball – all teams in league will have C teams

No additional travel needed, possible additional coach would be supported by ASB, be a volunteer, or covered by existing coaching staff

Winter Sports (Girls & Boys Basketball, Wrestling)

Same as Volleyball

4. Ticket takers, score keepers and supervisors

Most of these positions will be filled with volunteers. However, we feel a need to have paid positions for certain varsity competitions for clock operators and ticket takers because of the higher degree of responsibilities they entail. These positions will be paid from ASB.
